Dear Parents & Caregivers,

WELCOME TO THE 2022 SCHOOL YEAR

Welcome to all the whānau and children who are new to our school in 2022. I am sure that you will have a wonderful time at Marina View School, and I look forward to meeting you during the year.

I hope that the holidays were relaxing and enjoyable family times for you all. We have been fortunate to have a summer of fantastic weather.

It is great to be back and operating as a whole school again. We are really enjoying seeing all the children's smiling faces, and hearing about the things they have been doing over the holidays.

Welcome to Mike Pretorius who is our new school property manager.

We are really looking forward to a great year of learning in 2022 (hopefully with minimal disruption). There is already a positive feel with a buzz of activity and excitement about the term ahead, throughout the school. Each syndicate will have their own particular focus which I am sure will give our children lots of rich opportunities and experiences, to develop as active learners. Best wishes for 2022.

PARKING & ROAD CROSSING REMINDERS

We would like to remind everyone about the safety in and around our school car parks and crossing. Please do not park across or in driveways along Marina View Drive and Picasso Drive.

We also encourage children and parents to use the crossing and the paths into the school grounds, and not to walk through the staff carpark at the front office.

Please be mindful of your speed when driving through the crossing on Marina View Drive - we are seeing too many people speeding putting our students in danger.

HEALTH REMINDER - COVID -19 RED LEVEL

We are continuing to follow Covid-19 Red Setting health & safety guidelines from the Ministry of Health and the Ministry of Education, and continuing with good hygiene practices. A reminder to ensure the wellbeing of all, children and staff should stay at home if they are feeling unwell (coughing, sneezing, runny nose, headache etc). Any people presenting with symptoms of sickness at school (students or staff) will be asked to return home and contact their doctor if necessary.

Kind Regards
Maurice Young
Principal

NEW ASTRO TURF

We are very excited to have our new Astro-Turf completed which will be another fantastic facility our our students to enjoy. We would like to thank the PTA and our MVS community for your fundraising efforts over the past few years, of which have contributed to this Astro Turf. We can't wait for the children to be able to start enjoying this facility.

YEAR 5 STEM CHALLENGE

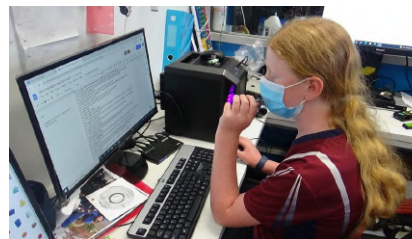

Room 19 have been having fun with some STEM (Science, Technology, Engineering, Maths) challenges to start off the term - their challenges included making a paper tower and a table out of paper that could hold glue sticks. One team managed to balance 20 glue sticks with only 4 rolls of paper being used to support the glue sticks! Well done!

MVTV

MVTV was back as of Tuesday 15th February - due to Covid restrictions we were on a "skelton crew" of 7 students. We learnt to think quickly and multi task as well as do 2 to 3 jobs during the show - great fun but it all worked and we look forward to Thursday's show. The girls here are doing the script, the graphics, and video segments for general knowledge and what ever else is needed. Well done to the 2022 MVTV crew for a great first session.

TIDY TECH KIWI

Your old, unused technology can help us fundraise!

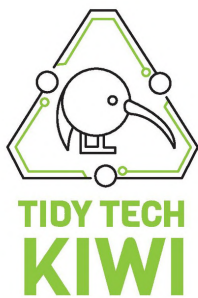

We have signed up to the Tidy Tech Kiwi E-Waste programme, sponsored by HP New Zealand. Together, we will collect, recycle and where possible repurpose devices such as printers and laptops and distribute them to developing countries for use. HP will also responsibly recycle any hardware that has no value.

Bring in all your unused technology and all associated cables and chargers - Laptops, Desktop Computers, LCD Monitors, Digital Displays, Cell Phones and Printers to //LOCATION// during //DROP OFF TIMES//.

HP will collect and assess a value for each item and all proceeds will be donated back to our school. And don't worry - ALL items are data sanitised and securely wiped upon collection.

By participating in the HP Tidy Tech Kiwi programme our school is supporting zero waste to landfill and helping developing nations get access to IT equipment to further education and business start-ups.

Tell your friends and family and help New Zealanders become Tidy Tech Kiwis!
