### COVID UPDATE

We would like to thank our community for your support during these past few weeks as we navigate through these uncertain times. We appreciate the communication between home and school regarding any Covid-19 cases, and will continue to keep you updated from our side too. This week we have had a total of 15 cases.

A reminder that last week the isolation period changed to 7 days, with the days to get tested now being day 3 and day 7, however we still encourage 10 days isolation where possible. For more information about self isolation please refer to <https://covid19.govt.nz/isolation-and-care/how-to-self-isolate>

We would like to reiterate that if your child has any cold/flu like symptoms, including aching body and shivers, we ask that you please keep them at home, test and only return to school when symptom free. Please continue to communicate with the school to advise us as soon as someone in your household or your child tests positive.

### PAST PUPIL SUCCESS

We were delighted to hear that a few of our past Marina View Students have been announced as Silver Badge Prefects for 2022 at Massey High School. Silver Badge Prefects form part of the wider senior student leadership team and work closely with the Gold Badge Prefects and House Leaders. The students named were Zhane Anand, Jay Rielly-Wolfgang and Prathna Govind. As Covid restrictions allow, we are hoping to have a visit from these students, as well as some Year 9s who were also from Marina View School, to chat to our Year 8 students.

### ROAD PATROL TRAINING

Last Wednesday 9th March, after a number of postponements, our Road Patrollers finally had their official training session with Constable Ma. It was great to get all our new Year 7 & 8 Road Patrollers trained up so they can now help out on the crossing and keep our students and families safe when crossing the road. A reminder to please cross at the crossing and remind your children to wait behind the yellow lines and only cross once you hear 'Cross Now' from the Road Patroller. See Page 3 for photos.

Kind regards

Maurice Young  
Principal

## GARDEN TO TABLE TOURS

The Garden to Table students have been organising garden tours of our vegetable gardens for the Junior School. They showed the junior students the plants and told them some interesting facts about some of the plants. The highlight for the junior students was watering the plants with the watering cans. It has proven so popular we have scheduled more tours for next week for the middle school.

## ROAD PATROL TRAINING

## CONGRATULATIONS

Congratulations to our Year 5 Teacher Jenny Kellie, who has completed her Post Graduate Diploma in Education, specialising in Literacy. It has been a challenging journey for Jenny with many late nights and huge effort put in. Jenny is excited to be able to put this learning into her teaching practice. Well done Jenny.
