Dear Parents & Caregivers,

CONGRATULATIONS

Congratulations to two of our teachers who have recently become parents - Ruby Yates welcomed her little girl Ainsley Eleanor Yates, on Monday 27th June, and Sam Baker welcomed her little girl Ruby-Jean Avery Baker on Tuesday 5th July. Both Ruby, Sam, and their gorgeous girls are doing well, and we wish them all the best as they embark on parenthood.

40 HOUR FAMINE MUFTI DAY THANK YOU

Thank you to everyone for your support with our 40 Hour Famine Mufti Day on Friday 1st July. We raised \$1316.30 for World Vision, so they can continue their work to build a better world for children living in poverty. The Year 7 & 8 children ran some workshops during the week with the younger students, ran a colouring in competition across the school, as well as a bake sale last weekend which raised \$443 towards the total funds raised. We had a winner for the 'Guess the Lollies in the Jar' competition - Dana Kuznetsova guessed 338 lollies which was closest to the final number of 339. Well done Dana! See page 5 for photos.

<https://www.argyleonline.co.nz/shop/auckland/marina-view-school>.

Please also ensure all children have a spare change of clothes in their bag, especially during winter months when they may get wet or muddy.

SICKNESS & COVID

Please continue to let the school know as soon as your child tests positive for Covid, or becomes a household contact.

Also when reporting a child's absence for being sick, please advise the **reason for the sickness** and do not just write 'sick'. This information is important as we are required to update the Ministry of Education with Covid cases in the school. Thank you for your cooperation.

TECHNOLOGY

IMAGINTEURS AND IMAGINARIOS

Earlier in the year, Mr Gover's group of Imagintuers and Imgainarios were given a brief to create a portable vege garden for a staff member. The students were given specifications and had to come up with a design concept first to show their thinking. The garden was to be made to a specified size in order to be transported, have wheels so it could be moved, and be self-watering. Each group did a fantastic job creating these 5 gardens, which contain lettuce, peas and parsley. Two of the gardens are available for purchase if anyone in our community is interested - they are \$99 each which covers the cost of the materials. If you are interested in purchasing one please email office@marinaview.school.nz

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūhu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Room 24 has been learning about the Marina View School's Maunga's. They are the new attributes we would expect to see within Marina View School and the students. Everyone in Room 24 was put into groups of 2-3 to begin a brainstorm on one of the three Maunga's. Each Mountain represents different values and attributes that our school's learners should use in and out of the classroom. We created a brainstorm of how a Marina View learner should be showing these throughout school life. There came a time when all groups had to share their posters and view on a school learner in front of the class. One group demonstrated the attributes of Mana by using props and everyday scenarios to show our class all the ways that you could show Resilience, Confidence and Empowerment throughout school life. Showing Mana has become a daily routine in Room 24.
