Thank you for your support to keep our children safe while crossing the road.

## Y7/8 NETBALL ZONES

On Tuesday 9th of October the Intermediate students went out to play netball at Te Pai Courts in West Auckland. We had been training hard for this competition and were excited to get out on the court. The other Northwest Schools showed some strong skill sets and were great competition for MVS. In the end we had some fantastic results.

**Year 7 Girls 1st**

**Year 7 Boys 1st**

**Year 8 Boys 1st**

**Year 8 Girls 5th**

We wish the Year 7 Girls and the Year 8 Boys the best of luck for their Auckland Netball competition. Thanks so much to Manisha Masters, Mr Oldham and Miss Whitehead who trained up the teams and came out on the day to support us. I had a great day out playing sport (even if the ball was the wrong shape!!!)

## Y5/6 NETBALL ZONES

On Tuesday the 16th of August 4 teams went to the Year 5 and 6 Netball Zones. We played 6 rounds, which included a final. The Year 5 girls team made it to the finals and narrowly lost by 1 point. The Year 5 and 6 boys teams played each other in the final so we came first and second place. The Year 6 girls team played off for 5th and 6th place, coming 5th overall.

I stayed on for all the games and the position I played for all the games was GD. I was really tired and tried my best to get the ball to the shooters to score the goals. Caesar and Karlyle were really happy with the way that we played and were great supporters for our team. We lost 2 games and won 4 games. We got hot chips and they were delicious. When we were finished we went back to school on the bus.

### YEAR 3 MOTAT TRIP

On Friday 12th August the Year 3 team visited MOTAT. We went there to learn about old toys and games and how they have changed over time. We learnt that most old toys are moved by pushing or pulling. Poor families from the 1800's played with homemade toys like ragdolls and wooden boats. Rich families could afford toy soldiers. We got to play with toys from the past and present and talked about how they have changed and improved over time. We had a great day of learning at MOTAT.
