Dear Parents & Caregivers,

AIMS GAMES

Congratulations to our Year 7/8 Rippa Rugby Team who came 2nd in the AIMS Competition which ran from 3 - 10th September. An amazing achievement out of 37 teams competing. We are very proud of the team and their efforts, and would like to give a special thanks to Mel Kimber and Isaac Oldham for all the organising that went into this campaign, and the management of the team while at the competition. Refer to photos and write up on Page 3.

OUT OF ZONE APPLICATIONS

We may have limited Out of Zone spaces available across the school for the October Ballot, however these have not yet been determined. Out of Zone applicants are welcome to complete an application form. Anyone who lives out of zone and has siblings joining us in 2023 will need to complete an out of zone application form by Wednesday 28 September (forms are held at the office). Applicants will then be advised in writing following the Ballot date of Wednesday 19th October.

PARKING REMINDER

We would like to remind everyone about the safety in and around our school car parks and crossing. Please do not park across or in driveways along Marina View Drive and Picasso Drive. We have also noticed many people parking on the yellow lines at the exit to the carpark across the road - it is illegal to park on yellow lines, and anyone found to be doing this will be reported to our local Constable.

We also encourage children and parents to use the pedestrian crossing and the paths into the school grounds, and not to walk through the staff carpark at the front office.

Kind regards
Maurice Young
Principal

SPORTS

AIMS RIPPA RUGBY TEAM SUCCESS

After a two year campaign the Year Seven and Eight mixed rippa team were able to travel down to Tauranga to compete in the AIMS Games, the biggest intermediate sports competition in New Zealand. They ended up finishing second in their pool only narrowly losing to Palmerston North Intermediate School 5-7 and qualifying for the top premiership grade. The team played another round robin against the other teams who had finished 1st or 2nd in their pool play and were undefeated meaning they made it to the semi final against a good Helensville team. They beat them 4 - 1 and faced Palmerston North in the final. It was a very exciting game and the students left nothing on the field. We are extremely proud of what they have achieved and are 2nd in New Zealand. A massive thank you to Isaac and Brownz for coaching the team and to the parents who came down and supported us. Below are some comments from the kids about their week.

This was one of the best week's of my life because I got to spend it with my closest friends and represent MVS with something I love - George

It was a great experience because we were able to work hard and get to the final - Sonny

I loved that we had this week away doing something we enjoy and being able to connect with the other schools - Knox

I had a great experience being with my friends and came away with some excellent wins - Jess

I had a brilliant week away bonding with my peers and playing a sport I really enjoy. I am proud that our team came away with 2nd place. - Micaela

Aims was a really cool and enjoyable experience. I really liked going and doing activities with the team and going to the games and then having a good outcome - Tess

My journey at the Zespri AIMS Games has been a wonderful experience for me, like going to cool activities with all my friends and having time off school to round it all up. My time at the Zespri AIMS Games was one of the coolest experiences I have ever had - Lucas

YEAR 5 OUTDOOR EDUCATION AT CAREY PARK

Thank you to all those parents who helped out in our Outdoor Education Programme at Carey Park, on Thursday 1st and Friday 2nd September. Your special efforts were much appreciated. Our students loved your encouragement to participate in a range of very cool social and physical challenges. These included crate stacking, archery, air rifles, flying fox, problem solving and rock climbing. The weather was lovely and there were lots of happy smiling faces everyday.

YEAR 7/8 BIG BUSINESS

Over the past few weeks, the Year 7 & 8 students have been busy preparing for the Market Day, as part of this term's enquiry 'Big Business'. The student's ran a 'test store' and took orders for their products, which they have been busy working on producing in order to sell on Market Day, which will be next Thursday 22nd September.

SPECIAL OFFER!

YEAR 0/1 ROADWISE

Our Year 0, 1 & 2 children have been participating in a road safety programme run by our local Constable around crossing roads safely. The students were shown how to cross on a road crossing safely, and we are sure the children will be able to put what they have learnt to practise, to ensure they are keeping themselves safe around roads.
