Dear Parents & Caregivers,

MEET THE TEACHER AFTERNOON

Thank you to those parents/caregivers who were able to either come along in person or join via Zoom for their children's 'Meet the Teacher' Afternoons, which took place last week and the week prior. We hope you got some valuable information from the meetings.

SHARED FOOD AT SCHOOL

We would like to request that no shared food such as birthday cakes etc are brought to school to ensure we are not putting any students who may have allergies at risk. Thank you for your understanding and cooperation on this matter.

INCORRECT STAFF EMAIL ADDRESS

Please note if you are emailing a staff member please check the domain of the email you are sending to, as we have some incorrect emails with **@student.marinav.school.nz** and these will not go through to the relevant staff member. Please delete any email contacts you may have with this domain to ensure important messages are not missed going forward. The correct email domain for staff emails is **@marinaview.school.nz**

STUDENT MEDICATION

Any students who require medication while at school must bring this to the office so it can be kept in the sickbay. An 'Authority to Administer Medication' form must also be filled in by the parent/caregiver for any medication at school, long or short term. Please ask at the office for a form if required.

If your child's medication changes or expires please update the office. Thank you for your cooperation to ensure we are following our Health & Safety guidelines.

STUDENT SICKNESS & COVID

Please continue to let the school know as soon as your child tests positive for Covid. Also when reporting a child's absence for being sick, please advise the **reason for the sickness** and do not just write 'sick'. This information is important as we are required to update the Ministry of Education with Covid cases in the school. Thank you for your cooperation.

Kind Regards
Maurice Young
Principal

GARDEN TO TABLE

Our garden had grown lots of weeds during the summer break so last week we did a lot of weeding. This week we are epic garden tamers and today we planted parsnip beans and lettuce seeds!

Mr Gover

Miss Phillips took half the Garden to Table students and used one of the pumpkins from the garden to make a delicious meal - they loved it! One student was heard saying "I don't usually like veges but that was nice!"

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Room 26 ~ Maunga Moment ~

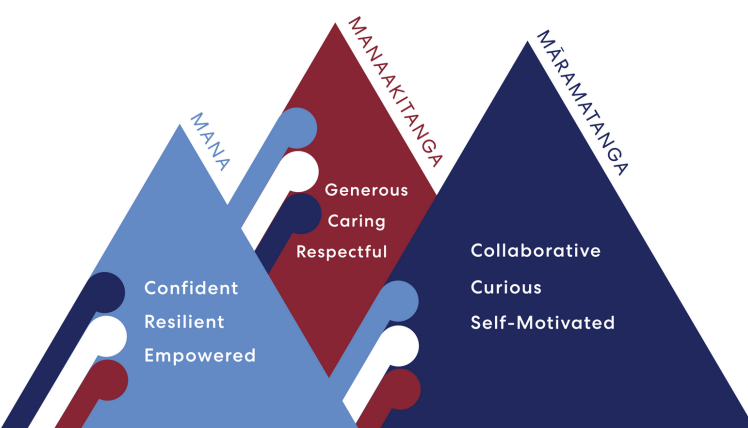

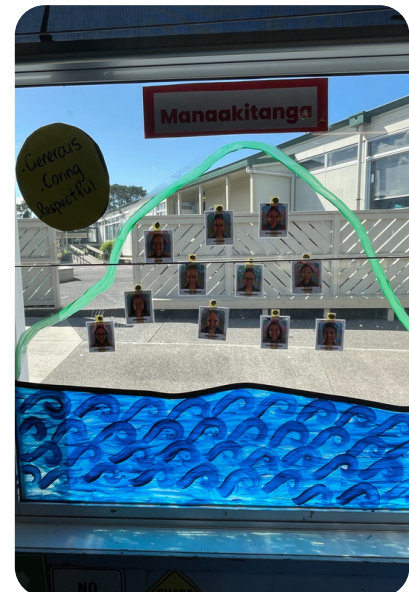

Room 26 have been using the value of collaboration in food tech to create delicious dishes. They have also experienced harvesting, prepping, cooking, and eating produce from our school garden.

Maramatanga ~ Collaboration

Room 21~ Maunga Moment ~

Our Maunga are displayed on our windows and when the students show one of the values, their faces are put under the respective maunga. This week we thought we would identify character traits and see if they fitted each person in the classroom. The faces can be seen both inside and outside of the windows.

MVTV

We had our first MVTV show Tuesday morning – the first for the year. We have a new Tricaster so there is lots to learn! We stream LIVE to YouTube for the school – its so exciting to be back broadcasting MVTV once again.
