Dear Parents & Caregivers,

ROAD PATROL PARENT HELP REQUEST

We are seeking the support of parents/caregivers/family members to help supervise at our pedestrian crossing outside the school. The crossing is supervised by parents/caregivers/family members in the mornings from 8:15 am to 8:55 am, and teachers in the afternoons. If you are able to help, even if only for a few days per week, we would greatly appreciate it, as we can't operate a pedestrian crossing without your support. Please contact the school office if you are able to help out. Thank you.

OUT OF ZONE BALLOT

Due to limited spaces available, we will only be accepting applications for the October ballot process from the following categories:

Sibling of current student attending Marina View School (second priority category)

Sibling of former student (third priority category)

Child of a former student (fourth priority category)

Anyone who lives out of zone and has a child due to start school in the next year, and fits one of the above categories will need to complete an Out of Zone application form by Wednesday 11 October (forms are held at the office). Applicants will then be advised in writing following the Ballot date of Wednesday 18th October.

AIMS NETBALL TEAM UPDATE

The AIMS Netball Team have made great progress this week at the AIMS Games in Tauranga. The team came out top of their grade after Monday/Tuesday games. They then headed into the first round of playoffs where they beat three very good teams. This has put them in the top grade where the team will now play for a placing between 1 - 16. This is a massive achievement in itself as there are 144 netball teams here. They have showed great determination, guts and team work. They have done Marina View School proud. Well done to Isaac and his team for all the effort they have put in over the years, which clearly are paying off!

PHOTOLIFE GROUP PHOTOS

On Wednesday 18th and Thursday 19th October, Photolife will be at school taking all of our group and team photos, as well as those classes who missed their photo back in June. More information will be sent out closer to the time.

FOOD ON PLAYGROUNDS

If your children are using the school playgrounds after school, please ensure they take their rubbish with them to help keep our school grounds clean and litter free.

Kind Regards
Maurice Young
Principal

YEAR 8 LEADERS TRIP TO HOBBITON

As a part of the MVS Leadership group, we got the chance to take a trip to Hobbiton in Matamata. Hobbiton is the movie set where the Lord of the Rings and The Hobbit movies were filmed. We had an arranged time to meet at School at 7:20 am and we set on our way to Hobbiton at 7:30. After a long two and a half hour trip we finally made it to Hobbiton.

The scenery was unreal before we even entered the set! Our tour started at 10:40 am. We took the Hobbiton tour bus to where the tour started. We had a lovely tour guide that guided us along the trip. She told us about all the finer details that made a movie what it is. We saw many hobbit houses where all the hobbits live. The nature and scenery was some of the finest we had ever seen. Every detail of nature was well manicured and taken care of.

Once we made it to the Shire we grabbed a glass of ginger beer and took a seat next to the lake under a willow tree and waited until our reservation was ready at the Green Dragon restaurant. We took a walk to the Green Dragon. As soon as we walked in, the waiters took us to our tables. We got shown around to the buffet. There were many salads, meats and other treats we all feasted on. Once we were all full of the lovely food we received a complimentary pottery mug from the Green Dragon staff.

After we finished eating, our tour guide took us back to our tour bus. Once we got back to the reception grounds our bus picked us up to return back to school. We thoroughly enjoyed our leadership trip to Hobbiton and are glad we were able to receive such an opportunity.

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

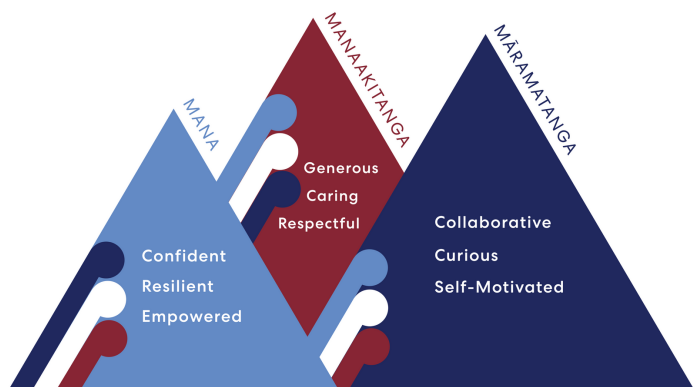

Room 15 ~ Maunga Moment ~

Each Tuesday afternoon, Room 15 students have 'Buddy' time with Room 9. They each have a buddy that they work with on reading, drawing, play and other activities. The Room 15 students are showing their Maunga values of caring and collaboration as 'Big Buddies' during these visits with Room 9.

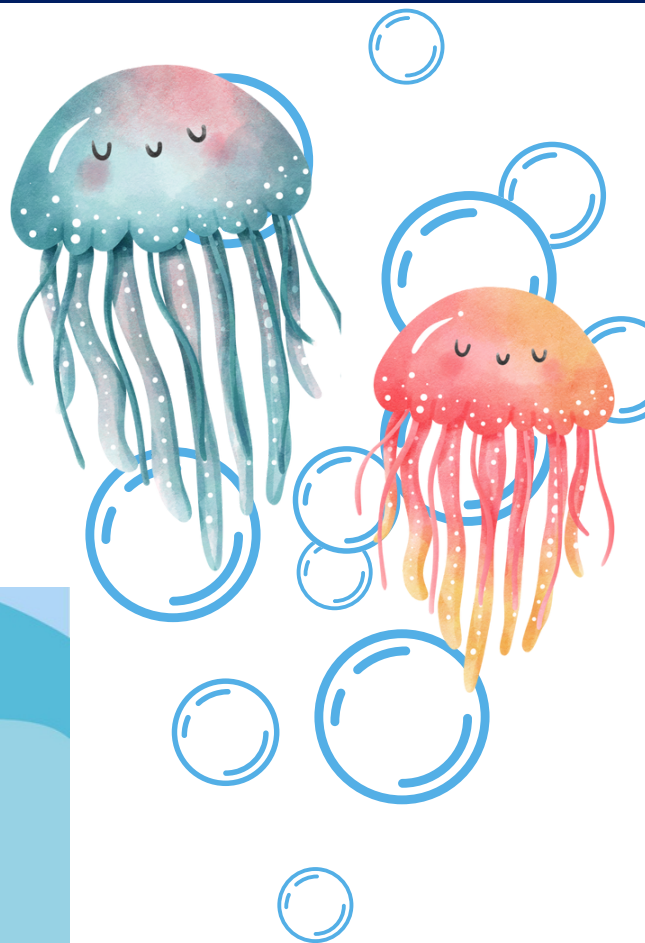

Room 20 ~ Maunga Moment ~

During P.E. with Room 19 and 20 we have been participating in fun relays. These activities are designed to test our thinking, self management, creativity, collaboration and participation. We were encouraged to think outside the box. We had to jump through hoops, literally, and push eggs around with our noses. When things got tough, we showed resilience by giving it another go and supporting those around us to not give up.
