

Cyber Safety Student's Use Agreement

**Please read this sheet carefully. Then keep it so you can read it later.
That way you will not forget what it says.**

These are the important rules I must follow:

1. I cannot use the Internet at School without signing and handing in this Use Agreement.
2. School computers are to help me with classroom learning.
3. It is important to keep safe while using the Internet. This means I must follow the school's safety rules.
4. The only time I can use the Internet and email at school is when a teacher is supervising me.
5. I am not allowed to try and look up things on the Internet which I know are not for children. This might be dangerous mean or rude material. Some of it is against the law. (If I do not understand I will ask my teacher)
6. I must be sensible when using computers and electronic devices. I know that I must not do anything that would hurt me or someone else, even as a joke.

I agree that:

- I will take care of our computers.
- I will not copy any software.
- I will not bring software from home to use on a school computer.
- I will not print anything without the permission of the teacher.
- If I accidentally come across dangerous, mean or rude material, I will immediately turn off the screen, tell the teacher without showing any other children.

I will look after myself sensibly:

- I will not give anyone on the Internet information about myself or others – this includes; pictures, addresses and phone numbers.
- I will never agree to get together with someone I 'meet' online.
- I will tell the teacher if I come across any problem or if I am not feeling safe.

I understand that if I break this agreement in any way I may lose the right to use the Internet and computers at school. As well, the school may tell my parent/caregiver.

**PLEASE COMPLETE ATTACHED SHEET, AND RETURN TO THE SCHOOL OFFICE.
THANK YOU**

I have read the School Cybersafety Policy and Use Agreement and understand that my child may not access the Internet at school without this Use Agreement being signed and returned to school. I also understand there may be serious consequences if the rules are broken. I have gone over the information with my child and explained its importance. I understand that if my child steals or damages equipment this could result in the home receiving a bill for the cost of replacement parts or repairs.

I understand that while the school will do its best to restrict student access to offensive, dangerous or illegal material on the Internet or other communication technologies, it is the responsibility of my child to have no involvement in such material or activities. I also understand this Agreement applies to communication technologies my child brings into the school environment.

I give my permission for Room to be given access at school to computers, the Internet and other communication technologies.
