Dear Parents & Caregivers,

GOAL SETTING MEETINGS

Thank you to all those parents and caregivers who came along last Thursday to the Goal Setting Meetings. It was lovely for the teachers to meet with you all, and we hope you got some valuable information out of the afternoon meetings.

SCHOLASTIC BOOK WEEK

A huge thank you to our Marina View Whānau for your support with our Book Week held last week – with your support we sold \$8,159 of books and raised over \$2,855 of new books from Scholastic for our library!

Ten students won the Book Fair Lucky Draw and got to choose \$15.00 worth of prizes from the Fair on Friday.

Clifford, the Big Red Dog, visited on Wednesday morning and joined in with Jump Jam before touring the classrooms.

Thanks to you all for your support and patience, especially on Wednesday afternoon! See page 4 for photos of our Book Fair.

COVID & SICKNESS

We are experiencing a lot of sickness at school presently, with Covid still being prevalent. To ensure the wellbeing of all, children and staff should stay at home if they are feeling unwell at all (coughing, sneezing, runny nose, headache, sore tummy etc). Any people presenting with symptoms of sickness at school (students or staff) will be asked to return home and contact their doctor if necessary. Please continue to advise the school if your child tests positive for Covid.

WHĀNAU HUI - WEDNESDAY 8TH APRIL

On Wednesday 10th April from 6.00 - 7.30pm we are holding a Whānau Hui at school.

The purpose of this meeting is to connect with our Māori and kapa haka whānau, and provide a space to share your aspirations for your child at Marina View School. It is also an opportunity for our whānau to meet with and learn about our local iwi, Te Kawerau ā Maki.

Please let us know if you are able to attend by completing the Google Form on the link below so we can cater for numbers:

SPORTS

YEAR 7/8 CRICKET FIELD DAY

On Tuesday 12th February, we took five Year 7/8 Boys and Girls teams to Kumeu Cricket Club to participate in the North West Cricket Field Day.

This event was 'Have-a-Go' day, so not competitive, and it was great to see so many of our students give it a try.

Many thanks to the parents & families who helped look after the team, and transport the children on the day.

YEAR 6-8 SWIMMING ZONES

After swimming in our school swimming trial, seven students qualified to represent MVS at the North West Swimming Zones, on Monday 18th March at West Wave in Henderson.

Congratulations to all of the students for giving it their best - special mention to Olivia Harvey for being selected to represent our North West Zone at the Auckland Champs, and Jack Bunting for making the finals in all his events.

Many thanks to the parents who transported the students and supported our team on the day.

TECH - MAKING RODENT TRAPS

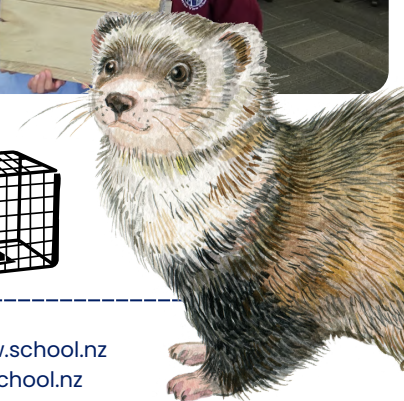

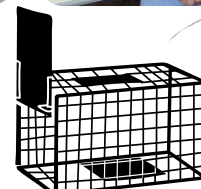

Pest Free by 2050

The Intermediates are making rodent traps to catch rats, ferrets, weasels, and stoats in the bush at South Head, as part of our health and wellbeing inquiry. This is their way to help look after the bush so the bush can look after us. We realise our traps are only a small number but one extra can make a big difference, so maybe our 15 we will make will make a dent in the numbers of rats and mustelids killed, and help all New Zealanders achieve the goal. Together we can make a difference.

IMAGINEERS & IMAGINTEURS

The Imagineers and Imagineurs are making Whirlygig Birds with Mr Gover to put in the gardens round school This is part of their hauora inquiry to help make the school environment a happy and beautiful place to be in They have already worked out its a task that requires patience and perseverance - a lot of sanding and heaps of time Mr Gover said this project is on track to being one of the best projects the students have made at school We look forward to the finished whirlygigs and their brightness, colour and movement putting a smile on the students faces. They plan to put them out in the garden in a different place each day and bring them in at night
