Dear Parents & Caregivers,

GOAL SETTING MEETINGS: THURSDAY 14th MARCH

There will be Goal Setting Meetings on Thursday 14th March from 1:10pm to 7:20pm. **School will finish at 12:30pm and children will need to be picked up on time so that their teachers can start their interviews on time.**

Bookings will be available via our student management system HERO this time. Please navigate to 'School Bookings' in the HERO menu and click on 'Manage Bookings' where you will be able to select a time slot for your child/children from the available slots shown in green.

Interviews will be 10 minutes duration. Kids' K'nection will be open from 12:30pm until 6:00pm this day. Please phone Sachin on 021-832-181 or email kidsknection@outlook.com to book your child in.

We encourage the children to attend the 'Meetings' so that they can take part in the discussion and talk about their learning this year.

COVID & SICKNESS

A reminder to ensure the wellbeing of all, children and staff should stay at home if they are feeling unwell (coughing, sneezing, runny nose, headache etc). Any people presenting with symptoms of sickness at school (students or staff) will be asked to return home and contact their doctor if necessary. Please continue to advise the school if your child tests positive for Covid.

CHEWING GUM AT SCHOOL

We have noticed a number of students chewing gum during school time. Please note that chewing gum should not be brought to school.

COMMUNITY CONDUCT EXPECTATIONS

Marina View School is committed to providing a safe and healthy environment for students, staff, and visitors. This is a two way process between staff at Marina View School, and our parents and whānau. We ask that all parents, caregivers, and school visitors support everyone's emotional and physical wellbeing, through respectful interactions. Likewise, we expect all staff of the school to maintain proper standards of conduct and concern for the wellbeing of students and whānau. We appreciate your support with this.

Kind regards,
Maurice Young
Principal

Marina View School uses SchoolDocs as our online policy platform, along with many other schools across Aotearoa. All SchoolDocs schools follow a 3-year review schedule to keep information up to date. Each term, the school community is able to provide feedback on the content and implementation of policies and procedures that are under review.

The SchoolDocs team uses feedback from all schools, along with research and external consultation, to make changes to core content. The team notifies schools of any action that is required.

SPORTS

YEAR 7/8 TAG ZONES

On Wednesday 28th February, we took a Year 7/8 Boys and Girls team to Moire Park to compete in the North West Tag Zone Competition.

The girls had a challenging competition against some strong teams, and whilst they didn't end up placing they did get in some in valuable practise.

The boys team had a successful day, making the final against West Harbour but unfortunatley were defeated in a tightly contested game, 7-5.

Many thanks to the parents & families who helped look after the team, and transport the children on the day.

Isaac Oldham

YEAR 5/6 TEE BALL ZONES

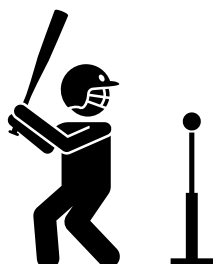

On Wednesday 6th March, we took a Year 5/6 Boys and Girls team to Rosedale Park to compete in the North West Tee Ball Zone Competition.

It was a very successful day for Marina View, with both teams finishing in the top three.

The girls played 5 games, winning all their games and finishing top of the competition. The boys won all but one game in their pool/competition.

Thank you very much to the parents who helped look after the teams, and transport the children on the day.

Isaac Oldham

YEAR 7/8 SOFTBALL ZONES

I could not be prouder of both Year 7/8 Girls and Boys Softball Teams, who traveled to Rosedale Park on Thursday 7th March to compete in the North West Zone Tournament.

Our girls played 9 games, losing a very tight final to Hobsonville 6-5.

Our boys played 7 games, also losing a very tight final 6-5 to Huapai.

Many thanks parents, fellow teachers, and grandparents who supported both teams throughout the day. Representing Marina View School in zone sport is an honour and an important part of our Year 7 & 8 students' time at our school - we could not participate in these days without your support and assistance.

GARDEN TO TABLE

We achieved a great milestone for 2024 already in Tech and Garden to Table. We are all learning about healthy living and eating; we had already planted seedlings and seeds in the school garden, grown micorgreens in class, and we are now eating the vegetables we grew.

We had lettuce, carrot, tomato, microgreens and a beef patty on 2 pieces of bread for Tech this week - this was a proud moment for Garden To Table for 2024 - we completed the circle!

YEAR 3 & 4 ROCKETS

Aerodynamics was the word of the week for the Year 3-4 GATE group. We finished our first prototype rocket and we had some failures - fail means 'first attempt in learning', so this week we made improvements in our designs and built a second prototype, and they were much better. Next week we will take the rockets outside to see which rocket will go the highest and furthest, we may even need a 3rd prototype!
