Tena koutou e te whānau, mihi nui ki a koutou katoa

Dear Parents & Caregivers,

WHĀNAU HUI – WEDNESDAY 8TH APRIL

On Wednesday 10th April from 6.00 – 7.30pm we are holding a Whānau Hui at school.

The purpose of this meeting is to connect with our Māori and kapa haka whānau, and provide a space to share your aspirations for your child at Marina View School. It is also an opportunity for our whānau to meet with and learn about our local iwi, Te Kawerau ā Maki.

Please let us know if you are able to attend by completing the Google Form on the link below so we can cater for numbers:

[2024 Whānau Hui Attendance Form](#)

EXCURSION PERMISSIONS

It is important to return permission/consent forms by the requested date for any trips or excursions. We are finding many students have not returned permission slips (paper or online) on time, which affects the planning that goes into these trips. Most communication regarding trips is done via messages in HERO, with a link to the letter and online Google permission form. We sometimes send hard copies of permission letters home, often for sports zone days. It is vital that parents/caregivers check HERO regularly for messages and updates and complete permission forms by the requested date. If children don't return permission forms on time they will not be able to attend the trip. Thank you for your understanding.

END OF TERM 2

A reminder school finishes for Term 1 next Friday 12th April, at 2:15pm. Term 2 starts on Monday 29th April at 8:50am. I wish you all a restful break and look forward to seeing the students return well rested on Monday 29th April.

Kind regards,
Maurice Young
Principal

TE MANAWA FREE SCHOOL HOLIDAY PROGRAMME

See page 6 for details.

"WRITE LIKE AN AUTHOR" SCHOOL HOLIDAY PROGRAM

Kristin School, 360 Albany Highway, Albany

Tuesday, April 16, 2024 to Thursday, April 18, 2024. This is a three day camp for children aged 9 to 14.

In addition there will be a one day workshop for children aged 7 to 10.

Children will develop and write stories with help from award-winning author Maria Gill - the award-winning author of 60 books including Kate Sheppard, Anzac Heroes, and New Zealand Disasters.

Young writers will learn:

* How to come up with story ideas

* How to plan and outline a story

* How to come up with interesting, sympathetic characters

* The writing process, how to put it all down on paper

Young writers (or their parents) can register here:

http://www.writelikeanauthor.com/CampListing.asp?wc_id=425

The number of places on the camp is strictly limited so register early if your child is interested in attending the camp.

PTA NEWS

Thank you to all our families who supported our first fundraiser of the year - Hot Cross Buns.

We are still finalising the funds raised, which will be put towards new a new bike track for the school.

SPORTS

TERM 1 TOUCH RESULTS

Another great season up at Moire Park (Massey Touch Rugby), each team has played for seven weeks in a range of pools against other teams and schools. Our teams have done exceptionally well (again this season) and I am proud to announce the results that each team has won for themselves through hard work and determination. To acknowledge the efforts of each team and the players within the team we are having a Touch Rugby Prize Giving on Thursday 11th April, starting shortly after 12.30pm, in the school hall. We would like to invite any parents or caregivers (of players who played in the latest season of Touch Rugby) to attend this Prize Giving.

TECH INQUIRY

As part of their inquiry this term, the Intermediates are looking at herbal medicines and their uses and benefits. They looked at two remedies and then made them with Mr Gover. The first one was Kawakawa Salve, which is a topical ointment used for cuts scratches bumps and bruises This is part of the Māori Rongoā - Māori herbal medicine. They cut the kawakawa up and put it in warm oil for 8 hours, then sieved it and grated in beeswax into the infused oil to set it, then put it in small containers to take home.

COMFREY POULTICE: This remedy was made by the ancient Romans and Greeks. It is used for bone breaks, strains, sprains and bruising, and often called 'bone knit'. We grow comfrey in the school garden so we took some and chopped it into a bowl with some water. We used a blender to turn it into a paste, then put it in a plastic bag and froze it. When you have an injury, take it out of the plastic bag, wrap it in a paper towel and place on the affected area. Do this 3-4 times a day for a few days. This is a very ancient and proven herbal medicine and it works.

TAHI RUA EASTER HUNT

Room Tahī Rua had great fun on their Easter Hunt last Thursday. The children carefully followed the clues that Mrs Lydiard and Miss Parkinson had placed around the school until they finally found the Easter treasure!

The children had some help from the Year 7 & 8 students in Room 23, making Easter crafts and enjoying some buddy reading together, demonstrating our school values of Manaakitanga.
