Dear Parents & Caregivers,

PHOTOLIFE

Individual/Sibling photos have now been taken. Photolife have today emailed parents/caregivers a 'shoot key' so you will be able to order your photos online. Please check your emails and advise us if you have not received an email from Photolife.

MATARIKI WHĀNAU OPEN AFTERNOON

On Thursday 27th June, from 2pm - 3pm, we would like to invite whānau along to visit their children in the classroom and join in on some classroom activities. A notice will be sent out shortly with more details.

WINTER UNIFORM

Please ensure your child/children are wearing correct Marina View School uniform. As the weather is colder now please also ensure your child has a Marina View School jumper. If you need to order any new uniform items, this can be done online at

<https://www.argyleonline.co.nz/shop/auckland/marina-view-school>.

Please also ensure all children have a spare change of clothes in their bag, especially during winter months when they may get wet or muddy.

Please ensure ALL uniform items (including lunch boxes and drink bottles) are clearly named, so if they turn up in lost property we can return them to the student.

COMMUNITY CONDUCT EXPECTATIONS

Marina View School is committed to providing a safe and healthy environment for students, staff, and visitors. This is a two way process between staff at Marina View School, and our parents and whānau. If you have a concern about your own child or one of our other students, contact the class teacher or the principal to discuss the matter.

Please do not approach that student or their parents/caregivers/whānau directly. We appreciate your support with this.

Kind regards,
Maurice Young
Principal

SPORTS

YEAR 7/8 TABLE TENNIS ZONES

On Friday 7th June our Year 7/8 Table Tennis Team competed in the North West Zone Championship hosted by Hobsonville Point School.

All players were competitive, achieving some very good results. Our certificate winners were:

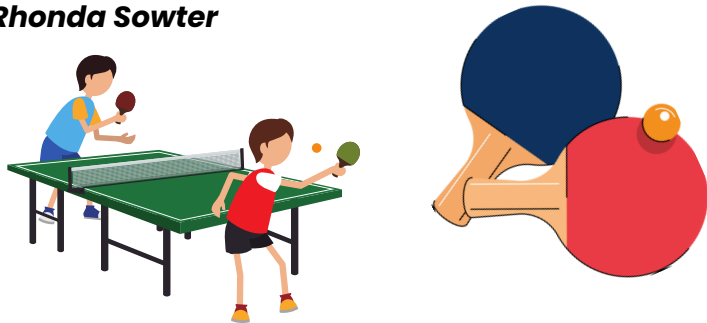

Eliana Wei - 2nd Girls Singles

James Nairn - 2nd Boys Singles

Braxton Bhardwaj - 3rd Boys Singles

Many thanks to our parents who provided transport and support on the day.

Rhonda Sowter

YEAR 5/6 FOOTBALL ZONES

On Thursday 13th June, Marina View School competed in the North West Football Zones at Huapai Domain. Both teams played well throughout the day, with the girls team finishing 3rd and the boys team finishing 5th overall.

Many thanks to our family members who offered transport and support during the day - we really appreciate your time and commitment.

YEAR 7/8 RIPPA RUGBY ZONES

On Wednesday our AIMS Rippa Rugby team participated in a tournament held at North Harbour Stadium. This was the first opportunity the team had had to have a run around together and practise the moves they have been learning. They had a very successful day winning three out of their four games, and also identifying areas for improvement before they head down to AIMS Games later on this year. A big thanks to Isaac Oldham for coaching the team and to all the parents who came out and supported the students.

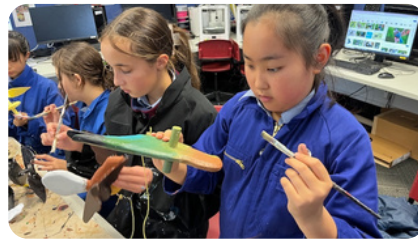

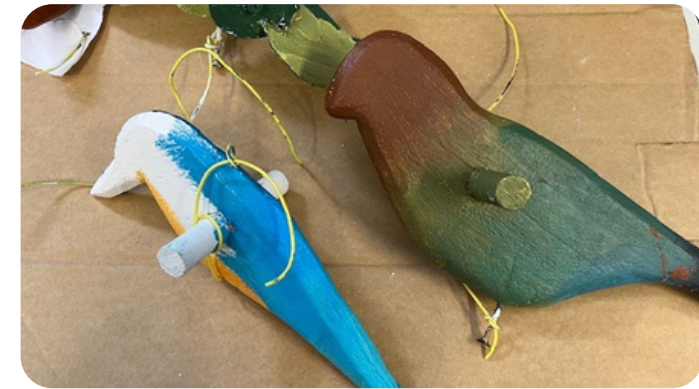

TECHNOLOGY

IMAGINEERS

The Imagineers and Imaginteurs are just about finished their birds. Right now its attention to detail and colour, making the bird look as realistic as possible. We hope one or two more sessions painting will finish the project, then you will see them all over school in the gardens. The next report will be pictures of lots of native birds in our school gardens.

YEAR 2 ZOOVENTURES INCURSION

Yesterday was a very very special day because the classroom went to Zooventures. We touched some animals. Sally got out a chinchilla then Sally gave the chinchilla a dust bath. The chinchilla made a mess. We saw a bearded dragon and we got to hold the bearded dragon. We also saw a guinea pig and I held a white guinea pig. We are learning about life cycles. A life cycle is about what goes around and around never stops, like a lizard lays eggs and has baby lizards. *Maddie, Room 8*

Yesterday was very special because we had a visit from Zooventures. Sally brought the animals because we need to learn about life cycles. When we got there we saw so many animals. We saw a bearded dragon and we pet them. We pet 7 animals and they were cool. We saw guinea pigs they were so cute. Then we saw a tortoise, it goes slowly. Then we wore a big real shell. We saw a frog and pink bird together. *Fawwaz, Room 8*

Yesterday we went to Zooventures. It was very special because Sally showed us some of the animals. We touched guinea pigs and we saw a chinchilla. The chinchilla made a sand storm. We also got to touch a tortoise. We were learning about life cycles, like a butterfly lays eggs and then it's a caterpillar. *Giselle, Room 8*

GARDEN GOLD GURUS

Mrs Plewinski bought Jade cuttings in for the students and Mr Gover bought a banana trunk to show the students, so we put the two together to make a plant nursery for the Jade plants. We hope the moisture in the banana trunk is sufficient to sprout new roots on the jade plant. We drilled holes in the trunk and placed the cuttings in the hole, we hope this works! we intend to sell these at the Big Business next term.

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Room 4 ~ Maunga Moment ~

In Room 4 we are learning about Māramatanga from our Maunga. We know that we can learn better when we work collaboratively and support each other. We make sure our learning partner understands and we check our answers together.

Here are some photos of us working collaboratively!

~ Collaboration ~

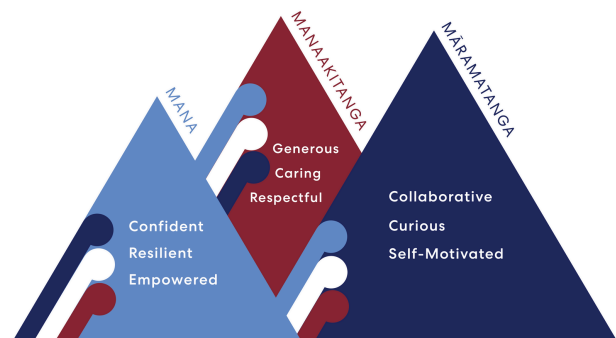

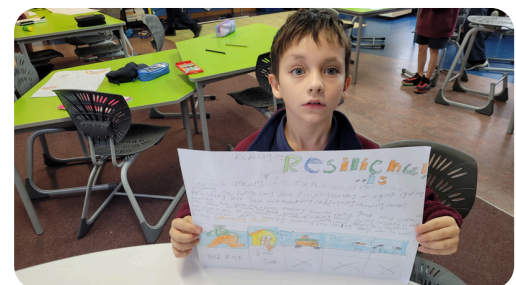

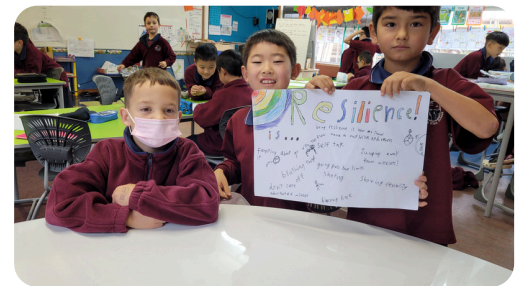

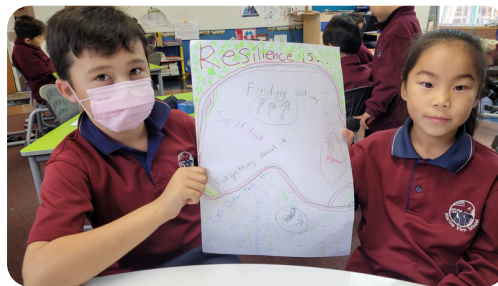

The children were asked if they liked working together and why.

"It makes it more fun and I learn more from them. I feel great when we work together. My learning partner always tells me when I do a good job!"

Room 16 ~ Maunga Moment ~

Room 16 has been learning about Resilience. What it is, ways to build resilience, How we feel when we show resilience and when we need to develop Resilience. Being Resilient is one of the dispositions Marina View School learners are aiming to acquire at MVS and carry the with them when they go to high school and beyond. Here are some posters that the students have created.

KIA KAHA PROGRAMME

Currently, our students are participating in the NZ Police Kia Kaha programme at school, with support from our local Community Constable Sarah Jones. Kia Kaha consists of a comprehensive range of anti-bullying resources to help children and young people learn and apply a range of safe practices that they can use to build and maintain successful relationships throughout their lives. Through Kia Kaha students develop strategies for respectful relationships where bullying behaviours are not tolerated.

Room 20 were lucky enough to have Constable Sarah come for a visit. We discussed different types of bullying and she told us more about her job. We asked lots of questions and even got to try out the handcuffs. They were surprisingly heavy.
