KIA KAHA SCHOOL PROGRAMME

Starting next week, we will be running the NZ Police Kia Kaha programme at school, with support from our local Community Constable Sarah Jones. Kia Kaha consists of a comprehensive range of anti-bullying resources to help children and young people learn and apply a range of safe practices that they can use to build and maintain successful relationships throughout their lives. Through Kia Kaha students develop strategies for respectful relationships where bullying behaviours are not tolerated. The programme will run until the end of the term.

SPORTS

YEAR 5/6 RIPPA RUGBY NORTH WEST ZONE DAY

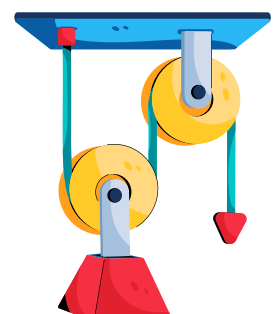

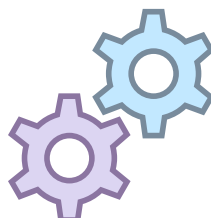

On Thursday 16th May, we took four Year 5 & 6 teams to participate in the North West Rippa Rugby Day. All teams played very well, and whilst the games are not technically scored, most teams had a very successful, albeit a bit wet and muddy, day.

Many thanks Mr Oldham for taking the teams and overseeing the event, and to our parent helpers who managed, coached and provided support on the day.

YEAR 3/4 TRIP TO MOTAT

This term, the Year 3 and 4 Team are learning about 'How Things Work' with a focus on the form and function of simple machines. As part of their unit, this week the classes visited MOTAT to learn about Science and Engineering where students investigate simple mechanisms at work and the ways they make our lives easier. These simple mechanisms include the lever, the screw, the pulley, the wheel and axle, the wedge, and the inclined plane.

YEAR 7 ACTIVITY WEEK

This week the Year 7 students are participating in Activity Week involving different activities outside the Classroom.

They started on Tuesday with a trip to Vector Wero, a purpose built white-water rafting park based in South Auckland. The students were put into rafts with an instructor and experienced some fun rapids while learning basic rafting skills.

On Wednesday the students participated in 'Minute To Win It' fun challenges and obstacles based at school.

On Thursday the students tested their climbing skills at Tree Adventures, and will finish off the week with Snowplanet on Friday.

It's been great to see the children take risks and build their confidence with these activities, whilst having fun along the way.
