Dear Parents & Caregivers,

STUDENT LED CONFERENCES

Thank you to all the families who were able to come along to the Student Led Conferences last Thursday. We hope you got some valuable information out of the meetings. If you were unable to make the meetings last week, please contact your child's teacher to arrange a time.

Please note Room 11, 17, 21 and 22 will have their meetings on another date soon as mentioned in previous communication sent home.

ABSENTEES

If children are absent for any reason, parents are asked to notify the school office by 8.50am, via the form on the Marina View School website, or submitting an absence on the Hero App. If your child is absent and we receive no notification, the school will send a text to you for verification. Also please notify us if your child has Covid so that we can manage the spread within our context.

SICKNESS

We are currently experiencing a lot of sickness throughout the school. A reminder to ensure the wellbeing of all; children and staff should stay at home if they are feeling unwell (coughing, sneezing, runny nose, headache, etc). Any people presenting with symptoms of sickness at school (students or staff) will be asked to return home and contact their doctor if necessary.

OUT OF ZONE BALLOT

We may have limited Out of Zone spaces available across the school for the October Ballot, however these have not yet been determined. Out of Zone applicants are welcome to complete an application form. Anyone who lives out of zone and has siblings joining us in 2025 will need to complete an out of zone application form by Wednesday 15th October (forms are held at the office). Applicants will then be advised in writing following the Ballot date of Wednesday 23rd October.

SPORTS

YEAR 5/6 NETBALL ZONES

On Tuesday 13th August, six MVS teams went to Te Pai Courts to play in the Year 5/6 North West Netball Competition. It was a beautiful sunny day and the teams played very well, with our Year 5 Girls A Team finishing in 1st Place and our Year 5/6 Boys A Team in 2nd Place. Our other teams placed 5th which was still a great achievement out of 16 odd teams.

Many thanks to our staff members Isaac Oldham, Amanda Whitehead, Kim Whitehead, who coached and managed the teams. A special thanks to Isaac Oldham for organising the event. Thank you also to our wonderful group of parents who assisted the teams and supported on the day, and our student umpires Karenza Taljaard, Chloe Chang who gave up their time to umpire throughout the day.

YEAR 5/6 CHESS ZONES

On Friday 9th August, we took two teams of Year 5/6 students to attend the 2024 West Auckland Primary Interschool Chess Competition, held at Titirangi Primary School.

There was some tough competition, and whilst our teams did not place on the day, they enjoyed the day playing games to improve their Chess skills. Thank you to Mr Horler for organising this opportunity for our students, and to all our parents who helped transport the students on the day.

YEAR 7 NETBALL LEAGUE

The Marina View Swifts played Glen Eden in their final game at Te Pai last night. They won their Grade for the season.

YEAR 5-8 CROSS COUNTRY

On Thursday 8th August, we held our school Cross Country run for students in Years 5 - 8, at Luckens Reserve. Each year level could choose between a 'fun run' and a 'competitive run'. It was great to see all the children give it a go, even given the wet slippery conditions. From the competitive races, the top place getters from each year level group, girls and boys, went on to represent Marina View School at the North West Zone Cross Country Competition on Thursday 22nd August at Muriwai Surf Club. Our runners did very well, in particular Noah Carter - 7th overall in the Year 5 boys, Stephen Oldham - 6th overall in the Year 7 boys, Jai Sharma - 12th overall in the Year 8 boys, Jason Zheng - 14th overall in the Year 8 boys, Levi Robertson - 17th in the Year 8 boys, Isla Souster, Stella Rooney and Brooklyn Jackson who came 14th, 15th & 16th respectively in the Year 7 girls. A fantastic achievement from all runners.

YEAR 8 LEADERSHIP GUEST SPEAKER

On Friday 16th August, our school leadership team was visited by an ex-pupil, Jayden Alesich. He was here to talk about leadership, and about his life journey since leaving MVS to now. Jayden (now aged 22), has already become a co-owner in a very successful business. He was asked about what leadership meant to him, and he summed up some tips for us when we enter High School. His answers to our many questions were interesting and intriguing. When I talked to the other leaders, they all enjoyed how open he was, his humour, and how cool his cars were. Overall it was really fun, and we learned heaps from Jayden.

YEAR 2 SKATE BOARDING INCURSION

This term Year 2 have been learning about the concepts of 'Innovation' and 'Modification', including the invention of Wheels; all the things we use within our daily lives that use wheels, and how they have been modified for improvement. As part of this learning focus, we had a very exciting incursion with the professional skateboarders from 'Young Guns Skate School' visiting us to teach the children how to use a skateboard.

TREES FOR SURVIVAL

On Thursday the 22nd of August, 16 students from Room 25 and 3 adults went and planted small native trees at a farm in South Head. The Trees for Survival programme teaches students, *“Environmental education in action - we’re restoring our environment through the growing and planting of native trees! Together we’re growing and planting native trees in areas they’re needed the most - protecting streams, wetlands and erosion-prone land.”* The landowner this year where the trees were planted was Mr and Mrs Gover’s farm.

In Term 4, 2023 we planted native seedlings and over the year, they grew. You can see them in the Compost area in the garden area. Over the week, Mrs Gover transported them to the farm ready for us to plant. We dug and learnt how to make perfect squares to lift up to create space for the trees to grow. Collectively as a class we planted 560 trees. We were all exhausted and proud of our efforts. Mr Gover cooked us all sausages and we had “pigs in blankets” he called them for lunch.

Then we packed up all the empty crates and black seedling packets to bring back to school to plant more for 2025. I wonder which farm we will go to next?

McIntosh and Fraser Dental are excited to offer two \$10,000 Orthodontic Scholarships in 2023.

Established in 2012 by Dr Alex McIntosh and Dr Milan Raniga, the scholarship was founded to help deserving students in West Auckland. Dr McIntosh and Dr Raniga saw a significant need for support and created this scholarship to give something meaningful back to the community.

Since its creation in 2012, McIntosh and Fraser Dental have transformed the smiles of 26 students by awarding \$175,000 in scholarships. This year the Orthodontic Scholarships consist of two prizes of up to \$10,000 in orthodontic treatment.

We are looking for students who have a clear need for orthodontic treatment and who excel in one of these key areas: academics, sport, the arts, cultural or community involvement. Students can be nominated by teachers, school staff, whānau and their peers.

Nominations are open to students in Year 7 to 13 who attend selected schools in West Auckland and West Harbour. You can find the full list of eligible schools on our websites: mcintoshdental.co.nz/scholarship and fraserdental.co.nz/scholarship.

All nominations must be submitted via our online nomination form. For more information and to fill out and submit the nomination form please visit mcintoshdental.co.nz/scholarship or fraserdental.co.nz/scholarship. Students can be nominated multiple times, so spread the word to support your nominee!

Nominations are open from 1st August 2023 and close on 31st August 2023. Dr McIntosh, Dr Raniga and the scholarship committee will select the finalists in September 2023, and the winners will be announced shortly after that. Make sure you follow us on Facebook for regular scholarship updates.

Good luck!
