Congratulations to our Year 7/8 Ripa Rugby Team who came 21st equal in the AIMS Competition which ran from 7 - 13th September. An amazing achievement out of 59 teams competing. We are very proud of the team and their efforts, and would like to give a special thanks to Mel Kimber and Isaac Oldham for all the organising that went into this campaign, and the management of the team while at the competition. Refer to photos and write up on Page 3.

OUT OF ZONE BALLOT

Due to limited spaces available, we will only be accepting applications for the October ballot process from the following categories:

Sibling of former student (third priority category)

Anyone who lives out of zone and has a child due to start school in the next year, and fits one of the above categories, will need to complete an Out of Zone application form by Tuesday 15th October (forms are held at the office). Applicants will then be advised in writing following the Ballot date of Wednesday 23rd October.

PLANNING FOR 2025

We have started to look at our planning for classes in 2025. If you have any pre-schoolers who are starting in 2025, or know of anyone who will have children starting, would you please let us know, so that we can make provision for their transition to school.

Any children in Years 0-5 who will be leaving Marina View School at the end of year, please advise the office to assist us with our planning.

Please note we will not be taking requests for classes for 2025.

AIMS GAMES 2024 – RIPPA RUGBY

On Saturday 7th September our Marina View School Rippa Rugby team went down to Tauranga to compete at the 2024 Zespri AIMS games, the biggest intermediate sports competition in New Zealand. We have been working hard all year with fitness and skill based training, tournaments and fundraising in preparation for the week long tournament. It was a privilege to play against skilled and competitive teams from across the country. Our team played 13 games and each game was 14 minutes long with 7 minute halves. The final results were 8 wins, 4 losses and a draw placing us 21st out of 59 teams that took part at the competition. We are very proud of our achievements considering we were a young team of mostly year 7's and will be back stronger next year.

While not at the Bay Oval competing, we spent our time visiting Bayfair Mall, going to the hot pools, playing football at the beach and walking around Mount Maunganui. The week was filled with team-bonding, delicious food, fun and competitiveness, making it a week we will never forget. We were lucky to have sunshine and a very supportive group of parents cheering for us all the way.

A very special thank you to Mr Oldham for spending countless hours coaching our team and Mrs Kimber for all the hard work organising and managing our team. You have both put in so much time and effort and we really appreciate you giving us all this incredible experience.

NETBALL PRIZE GIVING 2024

2024 has been another successful year for Netball at Marina View School. We had 9 teams competing in either the Kidzplay Competition, held at Pinehurst School, or at Netball Waitakere in Henderson. Thank you to all the coaches and managers who made this season possible and such a successful one. We really appreciate your dedication, your passion, commitment, and enthusiasm to coach our children and give them such a positive netball experience. Thanks also to the parents for watching the game each week, the children couldn't do it without your support either. Congratulations to all the teams who played this year. As a school, we are extremely proud of you and your efforts. A special mention to the following teams for coming in the top three of their respective grades; *Year 6 Thunderbirds - 3rd in the A Grade, Year 7 Swifts - 1st in D Grade.*

Thanks again everyone. Bring on next season!

Our Year 7 and 8 Mathex representatives had an exciting morning on Thursday, participating in the Whiria te Tāngata Kāhui Ako Mathex competition at Huapai District School. With schools from across West Auckland stepping up to the challenge, the Marina View teams showed determination and were able to place both first and third in the Year 7 category, and first in the Year 8. Everyone who participated represented our school with mana. Thank you to our super supportive whānau, who were literally on the edge of their seats watching our mathematicians work.
