YEAR 7/8 MATHEX

Last week, MVS was represented by two Year 7 and two Year 8 teams at the annual Auckland Mathematics Association Mathex competition. With over 250 teams taking part, students participated a challenging problem solving competition, racing to score as many points out of 100 in half an hour. It was an intense and exciting competition, and students represented our school with mana. Thanks to all of the whānau for supporting our mathematicians at this event. Looking forward to next year's competition already!

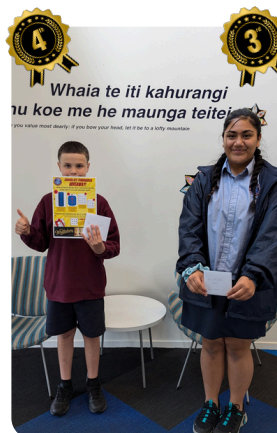

TONGAN LANGUAGE WEEK

In Week 5 we celebrated Tongan Language Week, with Year 7 / 8 students offering Tongan language and culture lessons to classes across the school. Classes learned about greetings and farewells, about Tonga and learned a song. The intermediate team was also graced with a beautiful performance by Lepua and Emme at a Tongan Language Week assembly. Thanks to Palu and Annetta also, who ran an awesome workshop with the whole team. We would like to say a big malo 'aupito / thank you very much, to the siblings and whānau that supported our students in preparing for the performance.

YEAR 2 SKATE BOARDING INCURSION

Our Year 2 students enjoyed a second visit from 'Young Guns Skate School' this week, who have been teaching the children how to use a skateboard. Here is what the children had to say about the experience:

On Tuesday 13th August, Room 7 went to the court in front of the gym. When we arrived at the court we saw a line of skateboards. Everyone was amazed! Even me! Simon said grab a skateboard. Then Simon said "push off with one foot and put the other one in front of the two screws". Then we could push. Then Simon and William told us our first trick. It was a jump. Our second trick was jump forwards then backwards! Then backwards, and forwards! I was so close to falling... but I did it! Then was the wolf-game. Ark won the first round. I felt proud for Ark. I was so happy. I want to use my skateboard to practice some of the tricks.

Hannah Rm 7

We did a very good job. Mrs Ashford was very proud of us. I won a game called 'What's up Wolf Pack'. We had to freeze when Simon or Will looked back at us. I felt very happy and excited. We had to put one foot on two screws and one foot on the ground to push. I have a skateboard and I want to practise some tricks. I love skateboarding!

Cruise Rm 7

I had to put one foot on the ground and push. I was scared and nervous. After that Will and Simon taught us how to do tricks. It was kind of hard but I got the hang of it.

Kenneth Rm 7

I was a bit nervous but I kept trying. I was getting better and better. I felt excited.

Dhanushka Rm 7

I felt good about learning something new. I fell over four times but every time I fell down I didn't give up!

Adyath Rm 7

My favourite was the tricks and they are going to come back with ramps!

Daryan Rm 7

I was confident.
