**Dear Parents & Caregivers,**

### PLANNING FOR 2025

We have started to look at our planning for classes in 2025. If you have any pre-schoolers who are starting in 2025, or know of anyone who will have children starting, would you please let us know, so that we can make provision for their transition to school.

Any children in Years 0-7 who will be leaving Marina View School at the end of year, please advise the office to assist us with our planning.

**Please note we will not be taking requests for classes for 2025.**

### NEW ENTRANT PARENT INFORMATION MORNING

Our next New Entrant Information Meeting will be held on Friday 22nd November, 9:15am - 10:30am in Room Tahī Rua. This meeting is for parents/caregivers of children who will be starting in Term 1, 2024.

### END OF YEAR SCHOOL PRIZE GIVING

Marina View School will be celebrating Prize Giving as a whole school community in our gymnasium across Years 0-8. The date of prize giving is Monday 2nd December and will be held in our gymnasium at 1:30pm.

Each class will be giving out four to five certificates (depending on class numbers), one excellence per year level, and three based around our school Maunga Values- Mana, Māramatanga and Manaakitanga.

Parents/Caregivers of prize winners will be notified if their child is receiving an award. **We request that only 2 family members of prize winners attend the prize giving, in order to minimise the numbers in the gymnasium at any one time.**

The Year 7 and 8s will continue as they have in previous years, with the key focus of the night being about the celebration and graduation of our Year 8 students. The date for this celebration will be Thursday 5th December at 5:00pm in the school gymnasium. The colour for this year is **PINK**.

### PICKING UP CHILDREN DURING SCHOOL HOURS

If you are needing to pick up your child during school hours for an appointment, please notify your child's teacher and the office in advance where possible, so we can help with getting your child to the office at the required time. If possible, please avoid coming during lunchtime 12:40pm - 1:25pm as it can be difficult to locate children who are out playing, during the lunch break.

Kind regards,

Maurice Young  
Principal

## GIRLS MEAN BUSINESS EXCURSION

On Wednesday 13th November, a small group of Year 7/8 girls attended the 'Girls Mean Business' event, held at Centre for Innovation and Entrepreneurship. This entrepreneurial leadership programme is aimed at Year 7 & 8 girls. The programme aims to introduce the world of business and entrepreneurship in an engaging environment, in order to empower the next generation of women in the workforce. The interactive workshops included activities focused around the entrepreneurial mindset, an introduction to financial literacy, and most importantly, the tools and skills to carry a business idea from start to finish.

The girls thoroughly enjoyed the day, with some highlights including the business focussed discussions, learning financial terms through selling lemonade, learning more about expenses and finances, the 4 P's to consider when selling a product, and many more helpful business tips.

Many thanks to Cara Bergin-Stuart and Ashleigh Phillips for arranging this opportunity for the students.

# YEAR 7/8 JUMP JAM NATIONALS

On Saturday 9th November, our Year 7/8 Jump Jam team competed in the Xtreme category against the top 6 teams in the North Island at the Jump Jam North Island Competition. We performed the song Slave to the Music and our team "Game On" scored 98.233333333 out of 100, meaning we placed 1st regionally and 2nd nationally. The kids worked super hard to bring a high quality performance and this was recognised through our presentation and costumes showing a Super Mario Brothers theme. I am super proud of my team and appreciated all the support from the families. A special thanks to The Flower Vault for sponsoring our amazing hoodies. Come and check us out at the Marina View Family Fun Night!

# IMPORTANT ROAD SAFETY MESSAGE

This morning we had an Auckland Community Transport representative come out to our school to take part of our Road Patrol group for a 'Speed Radar' activation exercise, as part of an effort to try and keep our school community safe around the roads.

The students then came back to calculate the average speed, percentage of speeders, etc to build a picture of how safe our roads are around the school. The data showed that we still have a high number of drivers going above the speed limit.

As part of an ongoing safety programme, Auckland Community Transport and AT parking enforcement will continue to support our school so that our students are safe coming to, and leaving, each day. They will be checking that driving speed is at the designated 40kph during the hours of 8.15am - 9.00am and 2:55pm - 3:15pm, and that parking is within the legal parameters (not parking over driveways, curbs or on yellow lines) and they will be giving out tickets to driver's breaching the law.

We would like to thank those who continue to drive with caution at pick up and drop off times around our school. Safety of our students and families is paramount.

Thank you AT for your continued support in our local community.

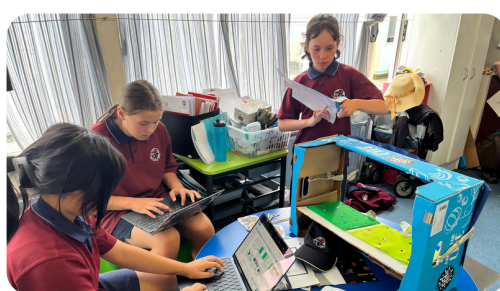

# MARINA VIEW SCHOOL MAUNGA MOMENT

**Whaia te iti kahurangi ki te tūohu koe me he maunga teitei**  
**Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain**

## Room 19 ~ Maunga Moment ~

*~Manaakitanga~*

There are always plenty of opportunities to display our Maunga dispositions inside and outside the classroom throughout the school day in Room 19. We show Manaakitanga not only to each other, but also to our environment. We are confident, empowered, and resilient learners who are always striving to be the best version of ourselves. In Te Reo Maori this term, Room 19 have been curious, self-motivated, and collaborative learners (Māramatanga). They have been learning about Māori Myths and Legends and working in small groups are writing their own Māori Myths, which they will present in the form of a puppet show. Some students have already begun making their puppet show stages.

*~ Mana ~*

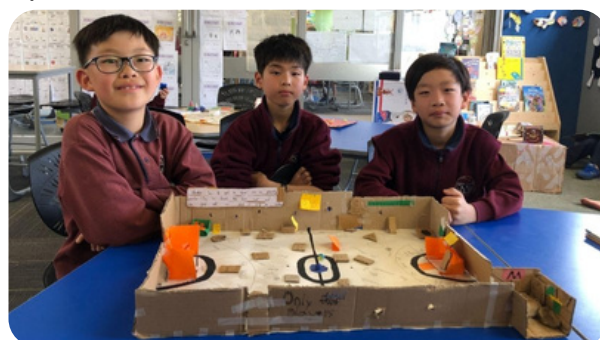

## Room 17 ~ Maunga Moment ~

In Term 4, our Year 3 and 4 students have embraced the school value of Manaakitanga by becoming eco-warriors as part of their inquiry into Sustainability. They've been reflecting on the impact they could make if they committed to these actions weekly, or even daily. The results are already visible, with our school grounds looking noticeably cleaner. Their dedication to caring for the environment shows how small, consistent efforts can lead to meaningful change, inspiring others to do the same.

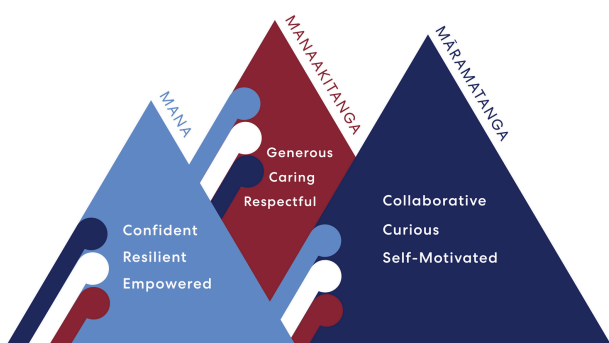

## Room 12 ~ Maunga Moment ~

In Room 12, the Year 3 and 4 students embodied the school values of Māramatanga and Mana as they created games for their peers. Demonstrating resilience and collaboration, they planned their games, conducted surveys to understand what their fellow students would enjoy, and crafted rules. Once the games were ready, they took on the role of teachers, guiding other students through the gameplay. Their enthusiasm and teamwork not only led to the creation of fun, engaging games but also fostered a sense of community and enjoyment among all participants.
