Dear Parents & Caregivers,

YEAR 5 & 6 PARENT INFORMATION MEETING ON YEAR 7&8

This afternoon, from 4:00pm in the FLS Room (Rooms 23 & 24), there will be a parent information meeting about the Year 7 & 8 area of the school, in preparation for Intermediate. We welcome all Year 5 & 6 parents and caregivers along to this meeting.

PTA DISCO THANK YOU

Thank you to all the students and whānau who supported our School Disco last Friday night. A special thanks to those staff members and parents/caregivers who helped out on the night – we couldn't run these events without your support. The children all had a great night and we raised \$2,656.00 which will be put towards our new bike track which is under construction.

PHOTOLIFE

On Wednesday 4th June, Photolife will be taking class photos. Please ensure your child/children wear the correct full school uniform on this day (no bright hair accessories or shoes).

The following week on Wednesday 11th and Thursday 12th June will be Individual and Sibling Photos. **If you wish for your children to have a sibling photo, please get your child to pick up a "Sibling Photo Request Form" from the office if you have not already received one. This needs to be returned to Mrs Cowsill in the office before Tuesday 10th June.** Please note that only school children can be in the Sibling Photos – sorry no toddlers.

ABSENCE NOTIFICATIONS

If you receive a text message from the school regarding your child being absent, please reply to these messages as it's a matter of safety knowing that the child's whereabouts are known to us. Thank you to those parents who respond straight away.

STUDENT CONTACT DETAILS

It is important that we keep contact details for students up to date. If your child's contact details need updating with new contact phone numbers, address, or email address, please email office@marinaview.school.nz so we can update our records.

Please also ensure we have an emergency contact for your child, should we not be able to reach the primary contact person.

Kind regards,
Maurice Young
Principal

SPORTS

YEAR 7/8 FOOTBALL ZONES

on Tuesday, 20th May, our Year 7/8 Girls and Boys Football Teams travelled to Huapai Domain to compete in the Year 7/8 North West Zone Tournament.

Both teams were unbeaten in pool play, and both teams won their quarter final.

Our boys team lost their semi final in a shoot out but in a gutsy display won the play off for 3rd place.

Our girls won their semi final, losing the final in a very close game against Huapai.

Many thanks for the parent support with transport – without you we cannot take part and to those parents who travelled up to Huapai Domain to cheer our teams on during the day. **Rhonda Sowter**

YEAR 5/6 RIPPA RUGBY NORTH WEST ZONE DAY

On Thursday 22nd May, we took three Year 5 & 6 teams to participate in the North West Rippa Rugby Day, at Moire Park.

All teams played very well, with our boys and girls teams finishing the day undeafeted. Our mixed boys/girls team had some close games and developed their skills throughout the day.

Many thanks Miss Phillips for organising the day and overseeing the event, and to our parent helpers who coached, managed and provided support and transport. on the day.

POST GRADUATE DIPLOMA IN PRIMARY TEACHING WITH THE TEACHERS INSTITUTE (TTI)

A one year, full-time programme leading to New Zealand teacher registration

Marina View School is excited to announce that we will be joining The Teachers' Institute as a member school for 2026. This is a new initiative for the Primary sector. The Teacher's Institute will be implementing a new Primary Post Graduate Diploma and are looking forward to recruiting their first cohort of around 50 students across 30 schools, of which we are one of these schools. For those of you in the community who may be interested in joining the teaching profession and join our school as a trainee teacher next year, there is information on the 2 flyers attached.

David Ferguson, the CEO of TTI (was Headmaster at Westlake Boys High School until the end of 2025), has been involved in recruiting cohorts of school based trainee teachers for a few years now across a number of Auckland secondary schools and has a lot of experience and knowledge in the running of this successful initiative.

If you have any questions, please do not hesitate to contact Maurice Young and/or myself for further information.

POST GRADUATE DIPLOMA IN TEACHING (PRIMARY, SCHOOL-BASED)

A one year, full-time programme leading to New Zealand teacher registration

teachersinstitute.org.nz

PROGRAMME OVERVIEW

The Teachers' Institute's (TTI) Post Graduate Diploma in Teaching (Primary, School-based) is a one-year, full-time programme leading to New Zealand teacher registration. It features a unique mode of delivery, with all trainees based in a home school for the year where they will be fully engaged in all aspects of school life.

Trainees will be partnered with a mentor teacher or teachers and as the year progresses, will gradually take on more responsibility for their mentor's class.

The in-school experience will be complemented by a series of 2-3 day weekly workshops, where trainees from across the TTI network will come together to build their knowledge of effective teaching practice.

All trainees will complete 40 days of "away practicum" to experience working and teaching in other schools. This assists in developing professional relationships with other educators and prospective employers.

There will be online course material for each of the courses. These materials will be unpacked during in-person workshops.

During the workshops, trainees will be introduced to particular teaching practices and tasks. They also provide an opportunity for these to be practised in a controlled and supportive environment, prior to being implemented in the classroom.

Assessments for the courses will be spaced throughout the year and are aligned with the different tasks that trainees will be doing in their schools.

KEY INFORMATION

Start date: 12 January 2026
Level: 8
Points: 120
Duration: 1 year full-time
Delivery: In-person

KEY ENTRY REQUIREMENTS

Teacher trainees must:

- Hold a Bachelor's degree at level 7 on the New Zealand Qualification Framework (NZQF), or a recognised equivalent
- Demonstrate competence in one of the official languages of the national curriculum - English or Te Reo Māori

ANNUAL & WEEKLY SCHEDULE

The programme runs from January through to December, following the shape of the school year. During school terms, students will be engaged in either their in-school experience or in-person workshops.

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei
Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

~ Room 12 ~ Maunga Moment ~

Room 12 has been learning all about Earth, what we need to survive, and the planets in our solar system. The students have explored topics like air, water, gravity, food, and shelter, and how these elements support life. As part of their learning, they have been showing maramatanga by working together in groups. Each group has created an informational poster about one of the planets in our solar system. Their teamwork and growing understanding have been impressive!

~ Room 22 ~ Maunga Moment ~

As one of our Maunga, Room 22 has spent some time focussing on learning what being Collaborative looks like, and how to be good collaborators.

Dear P.T.A

THANK YOU!

Thank you for organizing an amazing disco, inviting us to it and getting all the yummy food ready.

Thank you for your time. I appreciate it.

I loved catching up with my old friends.

Thank you for making the disco with Junk food.

Thank you for making the disco with loud music.

I like that you sell food, drinks and glowing fun.

Thank you for decorating the disco. It's always fun to do a disco at school.

It was an awesome disco!

The people who didn't come were very disappointed that they missed out. Maybe you could have a disco on a different day that is not a Friday?

Thank you for all of your work. We really appreciate you.

Good job P.T.A!
