NEWSLETTER

Tena koutou e te whānau, mihi nui ki a koutou katoa

Dear Parents & Caregivers,

SURF LIFE SAVING MUFTI DAY

Thank you to everyone for your support with our Surf Life Saving Mufti Day on the last Thursday of Term 1. We raised \$598 for Surf Life Saving NZ, which will allow them to continue lifeguard patrols across the country. It also enables investment in research, education and beach safety communication because prevention is key to saving lives. Congratulations to our colouring in competition winners; see page 8 for photos.

OUT OF ZONE BALLOT

Applications for the May Out of Zone ballot process have now closed. Applicants will be advised in writing following the Ballot date of Wednesday 14th May.

LATENESS

We are noticing many students consistently arriving at school late. It is important for student's learning that they arrive on time, well before the 8:50am bell so they can get settled ready for the start of school. We would also like to acknowledge and thank the many parents who do get their children to school on time.

YEAR 5 & 6 PARENT INFORMATION MEETING ON YEAR 7&8

On Thursday 22nd May, from 4:00pm in the FLS Room (Rooms 23 & 24), there will be a parent information meeting about the Year 7 & 8 area of the school, in preparation for Intermediate. We welcome all Year 5 & 6 parents and caregivers along to this meeting.

WINTER UNIFORM

Please ensure your child/children are wearing correct Marina View School uniform. As the weather is colder now please also ensure your child has a Marina View School jumper. If you need to order any new uniform items, this can be done online at

<https://www.argyleonline.co.nz/shop/auckland/marina-view-school>.

Please also ensure all children have a spare change of clothes in their bag, especially during winter months when they may get wet or muddy.

Please ensure ALL uniform items (including lunch boxes and drink bottles) are clearly named, so if they turn up in lost property we can return them to the student.

Kind regards,
Maurice Young
Principal

UPCOMING EVENTS

MAY

- 9th SCHOOL DISCO
- 13th Y7/8 Writers Festival Trip
- 20th Y7/8 Football Zone Day

ANZAC DAY PARADE

"Heroes who shed their blood and lost their lives! You are now lying in the soil of a friendly country. Therefore rest in peace"

At the end of the school term holidays, on Friday 25th April, some of our MVS leaders, and Mrs Bergin-Stuart and Mrs Rooney who accompanied us, participated in the ANZAC parade, marching from Hobsonville Primary School to the Hobsonville RSA where the ceremony took place. Along with other schools, we assembled at the back carpark of the RSA and proudly watched our New Zealand flag rise. The speeches – said with pride and emotion – began not long after we arrived. Listening to them made us realize how important this day is to New Zealanders. Partway through the ceremony three air force planes flew above the crowd; we all watched in awe. As the ceremony came to an end two of our MVS leaders placed our wreath under the memorial. That brought the ceremony to an end.

"We will remember them"

Written by Brooklyn Jackson & Stella Rooney – Room 24

YEAR 1 & 2 STEPPING OUT PROGRAMME

During Week 1 and 2, our Year 1 & 2 students participated in the 'Stepping Out' programme, which focuses on teaching road safety to young children. Stepping Out is facilitated by our Local Constable Sarah Jones. The children are spoken to about road safety, then shown how to use the pedestrian crossing safely and awareness around footpaths and driveways. The children are also spoken to about car safety (seatbelts/booster seats) and then practise sitting in the back seat of the Police car doing up the seatbelt whilst sitting in the booster seat.

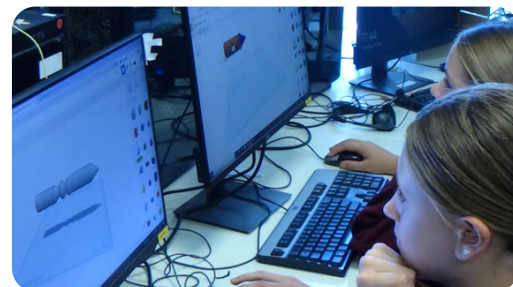

YEAR 7 & 8 TECH

Part of "tech" this term for the Year 7-8 is a series of lessons with Mr Gover on different aspects of "SPACE". The students here are learning about growing plants in space so are using growing medium like perlite and vermiculite to grow their plants under a UV light. This week they planted bean seeds. They also are designing and making a rocket and trying out the design using the rocket launcher - this is a prototype so its only the first one of many rocket designs.

The students are using the Oculus 3D headsets to do some astronaut training on the International Space Station - now this is cool fun! Some of the students are using their creative design skills to design and make a space colony on the moon or a space station floating in space. They are using the Tinkercad programme as they can design their "colony" in real time 3D.

Mr Gover

POST GRADUATE DIPLOMA IN PRIMARY TEACHING WITH THE TEACHERS INSTITUTE (TTI)

A one year, full-time programme leading to New Zealand teacher registration

Marina View School is excited to announce that we will be joining The Teachers' Institute as a member school for 2026. This is a new initiative for the Primary sector. The Teacher's Institute will be implementing a new Primary Post Graduate Diploma and are looking forward to recruiting their first cohort of around 50 students across 30 schools, of which we are one of these schools. For those of you in the community who may be interested in joining the teaching profession and join our school as a trainee teacher next year, there is information on the 2 flyers attached.

David Ferguson, the CEO of TTI (was Headmaster at Westlake Boys High School until the end of 2025), has been involved in recruiting cohorts of school based trainee teachers for a few years now across a number of Auckland secondary schools and has a lot of experience and knowledge in the running of this successful initiative.

If you have any questions, please do not hesitate to contact Maurice Young and/or myself for further information.

Cara Bergin-Stuart
Deputy Principal

INFORMATION SESSION

WEDNESDAY 21 MAY | 5PM | 3 MARGOT ST

We warmly invite you to learn about our school-based Postgraduate Diploma in Teaching programme in either primary or secondary.

RSVP BY FRIDAY 16 MAY

POST GRADUATE DIPLOMA IN TEACHING (PRIMARY, SCHOOL-BASED)

A one year, full-time programme leading to New Zealand teacher registration

teachersinstitute.org.nz

PROGRAMME OVERVIEW

The Teachers' Institute's (TTI) Post Graduate Diploma in Teaching (Primary, School-based) is a one-year, full-time programme leading to New Zealand teacher registration. It features a unique mode of delivery, with all trainees based in a home school for the year where they will be fully engaged in all aspects of school life.

Trainees will be partnered with a mentor teacher or teachers and as the year progresses, will gradually take on more responsibility for their mentor's class.

The in-school experience will be complemented by a series of 2-3 day weekly workshops, where trainees from across the TTI network will come together to build their knowledge of effective teaching practice.

All trainees will complete 40 days of "away practicum" to experience working and teaching in other schools. This assists in developing professional relationships with other educators and prospective employers.

There will be online course material for each of the courses. These materials will be unpacked during in-person workshops.

During the workshops, trainees will be introduced to particular teaching practices and tasks. They also provide an opportunity for these to be practised in a controlled and supportive environment, prior to being implemented in the classroom.

Assessments for the courses will be spaced throughout the year and are aligned with the different tasks that trainees will be doing in their schools.

KEY INFORMATION

Start date: 12 January 2026
Level: 8
Points: 120
Duration: 1 year full-time
Delivery: In-person

KEY ENTRY REQUIREMENTS

Teacher trainees must:

- Hold a Bachelor's degree at level 7 on the New Zealand Qualification Framework (NZQF), or a recognised equivalent
- Demonstrate competence in one of the official languages of the national curriculum - English or Te Reo Māori

ANNUAL & WEEKLY SCHEDULE

The programme runs from January through to December, following the shape of the school year. During school terms, students will be engaged in either their in-school experience or in-person workshops.

YUMMY FRUIT SCHOOL STICKER PROMOTION

\$624 of sports equipment for Marina View School in 2024!

A SHARE OF \$200,000 FREE SPORTS GEAR AVAILABLE TO EVERY PRIMARY AND INTERMEDIATE SCHOOL IN NEW ZEALAND'S NORTH ISLAND.

Marina View School has signed up again to the Yummy Fruit School Sticker Promotion. It's easy to participate and our school will be in to win a share of \$200,000 free sports gear for the school.

- STEP 1:** Shop at your local New World, Pak'n Save and participating Four Square stores.
- STEP 2:** Purchase Yummy apples, either bags with cut-out labels or individual apples with Yummy stickers. One cut-out label is worth 10 apple stickers.
- STEP 3:** Place the Yummy stickers on Sticker Collection Sheets and the cut-out labels on Cut-Out Label Collection Sheets
- STEP 4:** Bring your completed sticker sheets to the school office who will collect these and send off to the Yummy Fruit Company by the 20th of October, 2025. Your Yummy stickers will then be converted into a winning share of the \$200,000 sports prize pool.

The more you collect, the more sports gear you get so get going and start collecting your Yummy cut-out labels and stickers now!

TO DOWNLOAD AND PRINT OFF YOUR STICKER SHEET PLEASE VISIT:

[HTTPS://WWW.YUMMYFRUIT.CO.NZ/SCHOOLS/](https://www.yummyfruit.co.nz/schools/)

OR PICK UP A SHEET FROM THE SCHOOL OFFICE

Help us by promoting this in your workplace if possible!

CUT-OUT LABEL COLLECTION SHEET

1. Place your cut-out labels from Yummy apple bags on these points. One cut-out label is worth 10 apple stickers.

2. An apple tree takes the energy from about 100 leaves to produce one apple.

3. Ask friends, family, relatives and neighbours to help with your campaign.

4. Some apple trees are known to live for more than one hundred years.

5. Did you know that apples are members of the rose family?

6. Visit www.yummyfruit.co.nz to print more Cut-Out Collection Sheets.

7. One tree of home-grown apples can 18 healthy bones.

8. Drafting and building are the methods used to grow apple trees.

9. Fresh apples float in water because 25% of their volume is air.

10. Ten cut-out labels from Yummy apple bags equals one hundred stickers.
