Dear Parents and Caregivers,

**COMMUNITY SURVEY REMINDER:** Last week we sent an email to our school community requesting participation in a survey regarding what values and learning attributes are important to our families, in order to assist us in reviewing our school's vision, values and goals for learning. As part of this we are developing a profile of the attributes of a successful learner at our school. Your feedback and ideas are a valuable part of this process. If you have not done so already we would really appreciate it if you could complete this survey to help us. Please go to the link below to complete the survey.

Ngā mihi nui

**PHOTOLIFE PHOTOS:** Class photos and Individual/Sibling Photos have now been taken. A flyer will be sent home in a few weeks with a 'shoot key' once the photos have been processed by Photolife, then you will be able to order your photos online.

**CHOCOLATE FUNDRAISER:** Thank you all for your support with our biggest fundraiser. There are still many boxes outstanding. If you have a box or money, we ask that you please return them to the school office by tomorrow Friday 22nd June. Thank you.

**PARKING :** We are receiving several complaints regarding parents double parking when dropping or picking up children from school in the reserve carpark. Auckland Transport and our Community Constable have been notified and will be monitoring the area outside of the school. We also ask that parents do not park in the bus bay as our bus drivers are finding it difficult in the morning. Thank you for your cooperation in helping to keep our children safe during these very busy times.

**LEADERS TRIP TO ASB HEADQUARTERS:** Last Thursday 14th June our MVS Leaders visited the ASB Head Offices in Wynyard Quarter to learn about how robotics is helping streamline some of the processes within ASB. See page three for photos and a write up from one of our Leaders.

Kind Regards,  
Maurice Young  
Principal

## THURSDAY 28TH JUNE 2018 MOE ROLL RETURN DATE

If your child/children will be away from school on Thursday 28th June 2018 we ask that parents write a note advising of their child's absence with:

- Child's Name
- Room Number
- Reason for Absence

Please hand the note into the school office, or you can email the office. This information is required, because we collate data for the Ministry of Education around 1st March and 1st July every year.

Thank you for your co-operation.

**WEST HARBOUR BARFOOT & THOMPSON BOOK BATTLE**

On Monday 18th June we took five teams to the West Harbour Barfoot & Thompson Book Battle at Hobsonville Point Secondary School. Our Year 5/6 'A' Team placed 4th & the 'B' Team placed 11th out of 26 teams. Our Year 7/8 'A' Team placed 2nd, the 'B' Team placed 4th & 'C' Team placed 7th out of 23 teams. Although the competition was fierce, the students had a wonderful day.

Big thanks to Mrs Sutton & Mr Vella for their time & effort training the teams. A special thanks also to West Harbour Barfoot & Thompson for their generous sponsorship and to Hobsonville Point Secondary School for hosting the event.  
See below for pics from the day.....

**MVS LEADERS TRIP TO ASB HEAD QUARTERS**  
**Thursday 14th June 2018**

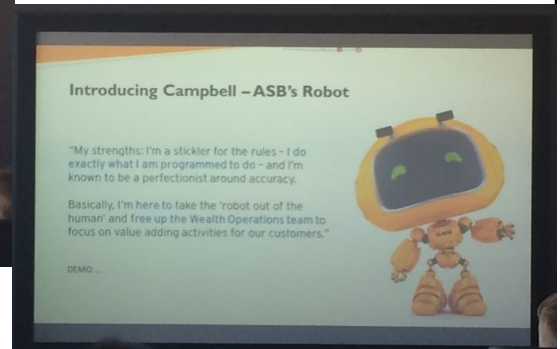

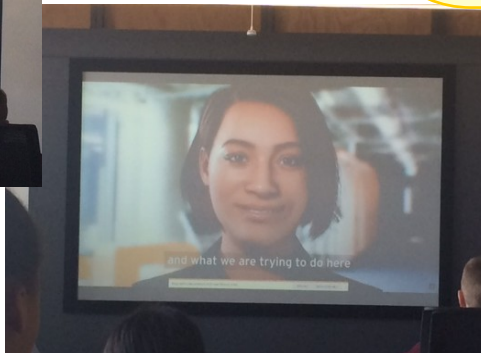

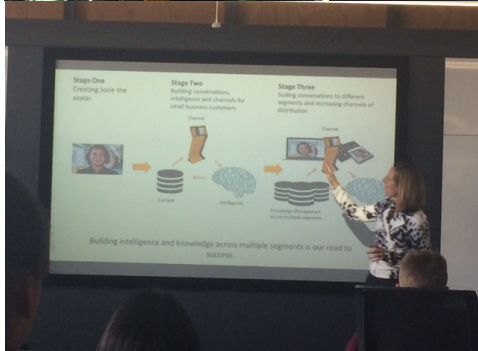

The ASB trip was about innovation and progress to the future, which was EXACTLY what we got! On the 14th of June, the MVS Leaders went to ASB Head Offices in Wynyard Quarter to learn about its future in robotic software. Kyle Brient (Mrs Buckley's sister) showed us around the building and talked to us about their robots, Josie and Campbell, with her other colleagues.

Josie has been made to be ASB's future virtual desk clerk and assistant. She can speak and respond to questions, but she cannot yet learn about the world. Campbell was made to do paperwork that would usually take humans hours to do so we can do tasks that need our attention more than copying and pasting documents. ASB continue to develop Campbell's software and when he is able to do more it is obvious that he will be very popular around the world.

Kylie took us to The Grid, another building for select ASB staff to work in, and explained to us Hackfest, where staff submit their innovations/ideas and if selected are chosen to develop their idea into reality. We spoke to four colleagues in The Grid about their new app called 'The Giving Tree'. They told us it was an app they made so people could save up money for the future. For example if you needed money for college in seven years, set your goal and Raymond, their mascot, will tell you how much money you need to save monthly to achieve that goal.

They took us further into the grid and, since it is a dog friendly space, we got to play with the staff's puppies. We looked around The Grid and came to the end of our trip. As I write this, I realise the only question that we didn't ask was the most important one of all. What will they do next? **By Pranuja**

**A WINTER POEM**

In Winter I eat hot spicy chicken noodles.  
 In Winter I wear a nice fluffy scarf.  
 In Winter I see muddy grass and bare trees.  
 In Winter I play Fortnite.  
 In Winter I feel sick and cold.  
 I hate Winter because it's too muddy and cold
