Dear Parents and Caregivers,

STUDENT LED CONFERENCES: Thank you to all families who attended the Student Led Conferences on Thursday 2nd August. If you were unable to make these meetings, please contact your child's teacher to arrange a time to get together.

CROSS COUNTRY: Well done to all our students who participated in the Cross Country on Monday 13th August. Was great to see such enthusiasm from the children, and support from their parents/whanau. Thank you to Mr Moore for organising yet another successful day, and all the staff who helped out. Please see page three for some photos from the day. We will be sending a team to compete in the Northwest Cross Country Zones on Tuesday 28th August.

SCHOOL MAGAZINE PRE-ORDERS: The children have been compiling their school magazine to show you the exciting things that they have been working on during the year. This is a great record of 2018 and we are sure that you will enjoy reading it. Pre-orders for the magazine must be received by **9am Friday 5th October**. Please ensure your child returns their order slip to their teacher with the money before this date as per the letter sent out.

AIMS PROCEDURE: We have a new AIMS Procedure which has been passed and accepted by and Board of Trustees. This procedure has been put in place to ensure that the school and community have clear guidelines on AIMS and what needs to be in place before it can take place. This will be uploaded to our school website shortly.

WATTIES CANS FOR GOOD COLLECTION: This is the Year 6 Can Committee with our cans as at 10.30am on Tuesday. We have approximately 150 cans so far so we are well on our way to our target of 1000 cans by Friday 24 August. Cans can be dropped off to the library anytime up until Friday 24th August. Thank you for your support in this great cause.

PHOTOLIFE PHOTOS: You should have received your 'shoot key' by now to order your child's class and individual photos online. Please ensure you order by midnight Sunday 26th August to get free delivery. Photos will be sent to the school then distributed to your child/children's classes.

PLANNING FOR 2019: We are starting to look at our planning for classes in 2019. If you have any pre-schoolers who are starting in 2019, or know of anyone who will have children starting, would you please let us know so that we can make provision for their transition to school.

GUEST SPEAKER DAVID CURTIS: There are still tickets available for our guest speaker David Curtis from Activ8 who will be speaking at the school on **Wednesday 29th August** in the School Hall. David is a fantastic speaker and we highly recommend parents come along to hear David speak about social skills training for pre-school/school students, problem solving techniques, the importance of team play and more. If you are interested in attending this evening please return your ticket order form to mvspta@hotmail.co.nz or the school office. We will advise when tickets are ready to collect.

Kind Regards,
Jill Dyet

SCHOOL CROSS COUNTRY
Monday 13th August 2018

2018 CROSS COUNTRY

You could tell it was Cross Country day because everyone was getting ready to race their hardest. I was feeling tired after running in front of the year 0-3's and then my own year 5 race.

When we arrived at the bottom carpark, I noticed all the lines of excited, confident and nervous children. I remember the sight of my family coming to watch me race. I remember the sound of feet stomping in the mud. It made a terrific sound.

The clouds were cotton wool when they ran across the sky. The fields were waiting for me to fall in the mud, but I didn't.

On the starting line, I was thinking that I need to do my best and empty my tank at the very end. That helped me to come third place. Around the first cone I felt superb because I was up the front.

During the first lap I especially remember running to keep up with the top ten people. The hardest challenge in the final lap was to keep passing people all the way to the end.

Sprinting to the finishing line made me happy cause I knew that I was going to get a Third Place certificate! I felt amazed with my place because I improved from last year.

The Cross country was finally over! Next year I want to improve my place even more.
