### YEAR 8 SUSTAINABILITY INQUIRY

Hello, my name is Sanglok Kim, and I am a Year 8 student in Room 29. Our Inquiry is focused on 'Sustainability' and the seventeen United Nations goals. Due to the rise of these issues, myself and two other Year 8 students Zek and Andy have decided to do Goal Number One: No Poverty. To take part in decreasing poverty we have decided to collect second hand raincoats that are in good condition. Later we will donate the raincoats to a low decile school. Donations of second hand raincoats would be much appreciated, please bring them to Room 29. Thank you.

Yours sincerely, Sanglok Kim

### PAPER CRANE PROJECT

Our Marina View School students initiated a project called 'Kia Rere Te Aroha' (Fly with Love) to show support and empathy for the families and friends of those who were taken so tragically from us in the events on 15th March 2019. We made 1000 paper cranes, which symbolises healing, good wishes, love and peace in Japanese culture. This is displayed in our office foyer area and looks amazing! A very special thank you to Mrs Johnston who co-ordinated this special project.

Kind Regards  
Maurice Young  
Principal

### FRIDAY 14TH JUNE

For inquiry this term our Year 7/8 students are looking at Kaitiakitanga and how we can be guardians of our school and community. They investigated the UN goals and decided to focus on responsible consumption and production. They were looking into how we could take action and decided to organise a Mufti Day to raise money for Starship. The money raised will then used to buy toys to help Project Starship, in hope to make a difference for our school and community. Please bring along a \$2 donation on Friday 14th June to support this cause. Thank you.

## Y7/8 GIRLS FOOTBALL ZONES

On Thursday 23rd May our Year 7/8 Girls Football team competed at the Northwest Football Zones at Huapai Football Club. After five pool games, three of which were played back to back, our Y7/8 Girls Football Team advanced to the semi-finals where they beat Huapai 1-0 in a great game of football. Waimauku proved too strong in the final. Many thanks to Paul Wilson for coaching on the day and our parents who provided transport.

## LEADERS TRIP TO TE MANAWA

Last Friday 31st May, our Year 7 and 8 leaders went to the new library, Te Manawa, for a leadership trip. It was a fantastic opportunity for our students. We were warmly welcomed and made to feel a part of this new building from the time we arrived. The librarians had organised a magnificent programme for the leaders and the children got to actively participate in having a voice to how they thought two key spaces could be used. The two spaces were the digital learning space and the other was the young adult space. The children were grouped and they talked, designed, brainstormed and then shared their ideas back of which some may be used for their future planning.

A big thank you to Catherine, Fiona, Candy and Jo at Te Manawa for making this such a memorable experience for our leaders.
