8 Police Officers from the West Auckland area will take on the run wearing full uniform to raise funds for Lifeline. Lifeline receives over 10,000 calls a month and they help on average 6-8 people a day who are at high risk of suicide. Every \$25 raised covers the cost of a call to the helpline. Every \$100 raised covers the cost of a high risk call to the helpline. Every \$255 raised provides an hour of helpline support. Every \$750 raised covers the cost of training a helpline volunteer. Please help us to help Lifeline to help others by giving whatever you can using the 'Give Now' button. Every little bit helps. Thank you in advance for your generosity, it means a lot!

COVID-19 INFORMATION FOR PARENTS

What you need to know

While a parent of secondary school students has been confirmed as the second COVID-19 case in Auckland, please be assured there has been no exposure from this case at these schools or any other schools.

There will be concern in school and wider communities, and misinformation circulating through social media. Here are the facts:

- The students did not travel with their parents.
- The students have been to school since their parents returned, but they were not infectious.
- They did not have, and do not have, any symptoms.
- All of the family is in isolation, but the students are well and are at home as a precaution.
