MARINA VIEW SCHOOL

NEWSLETTER

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Tena koutou e te whanau, mihi nui ki a koutou katoa

THANK YOU MVS COMMUNITY

Thank you to all our Parents & Caregivers for your flexibility with the later drop off times during Alert Level 2. These staggered times have worked well to ease congestion before and after school. Now we are in Alert Level 1, normal school hours have resumed so a reminder that all students need to arrive at school **before 8:50am**, to ensure they are settled in class before the bell for the start of school. Please ensure children are picked up promptly at the end of the day at 3pm.

PHOTOLIFE INDIVIDUAL & SIBLING PHOTOS

On Wednesday 17th & Thursday 18th June Photolife will be taking Individual and Sibling Photos. **If you wish for your children to have a sibling photo, please get your child to pick up a "Sibling Photo Request Form" from the office.** This needs to be returned to Mrs Cowsill in the office **before Tuesday 16th June**. Please note that only school children can be in the Sibling Photos - sorry no toddlers. A reminder to ensure your child/children wear correct full school uniform on this day (no bright hair accessories or shoes).

CORRECT SCHOOL UNIFORM

Please ensure your child/children are wearing correct Marina View School uniform. As the weather is colder now please also ensure your child has a Marina View School jumper. If you need to order any new uniform items, this can be done online at <https://www.argyleonline.co.nz/shop/auckland/marina-view-school>. **Please also ensure all children have a spare change of clothes in their bag, especially during winter months when they may get wet or muddy.**

THANK YOU

Thank you to Mr Chen for your kind donation of hand sanitizer for the school. We appreciate your thoughtful gesture.

Kind Regards
Maurice Young
Principal

Come on kids – together we can reduce our water use!

Auckland is experiencing a drought and we have received less than half of our usual rainfall. We need you to use 20 litres less water, every day. That's about two buckets of water each!

Turn the tap off as soon as you've washed your hands.

Wash your paint brushes in a bucket or ice cream container of water instead of under a running tap.

If you see water leaking anywhere at school, tell your teacher.

Visit watercare.co.nz
for more ways to reduce your water use

Watercare
An Auckland Council Organisation

TIDY TECH KIWI

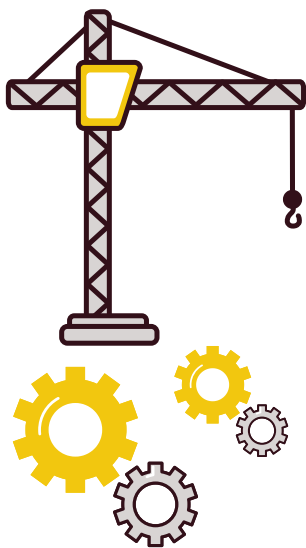

Bring in all your unused technology and all associated cables and chargers as part of the HP Tidy Teach Kiwi Programme.

TECHNOLOGY

Mr Gover's group "The Imagineers" have been working on a new project making room Tahi Rua some sandpit diggers. They have just about finished their digger mechanisms for the sandpit diggers – they spent last week assembling the final mechanism and making a bucket to go on the front.

A long time was spent designing and making the metal part of the bucket as well as the swinging part so they can spin around on the digger. The boys have been very excited to work on this project and look forward to completing it soon.

GARDEN TO TABLE

Our "Garden to Table" programme 'Growing More Than Minds' has started with a Year 7/8 option group. The response was so big that Mr Gover has split them up to 2 groups of 25. They will be learning how to grow their own vegetables with the hope that once they harvest their bounty they can then cook and eat it. So far we have strawberries, lettuce and garlic planted. In the next few weeks we will have a worm farm started and some cloches made – busy times for the urban agricultural specialists!

ROOM 18 PAPER MACHE

Room 18 wanted to share our results of a new passion project since coming back to school. We wanted to create something surrounded by our friends to support and encourage each other, so here are some of our paper mache animals. Curious, creative, confident, collaborative and caring were the key components of this project.
