### STUDENT LED CONFERENCES: THURSDAY 30TH JULY

A reminder that student led conferences are taking place next Thursday 30th July 2020 from 1:00pm to 7:20pm. **SCHOOL WILL CLOSE AT 12.30PM ON THIS DAY**, and children will need to be picked up at this time, so that the teachers can start their meetings on time.

Carol Plewinski from Kids K'nection will be available to supervise your child/children from 12.30pm on this day - please contact Carol on Ph: 021 832 181 to book your child in.

Booking times for the meetings can be made online at [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) using the **School Event Code 3bcb5**.

These meetings are an opportunity for parents, students and teachers to discuss your child's progress and achievement, and to set goals for the remainder of the year. We believe that students should be fully involved in these discussions, talking about their achievements and next steps. I also encourage you to continue having discussions about learning and your children's goals at home. This will greatly assist their learning at school. If you are unable to make these meetings, please contact your child's teacher to arrange a time to get together.

### NEW ENTRANT INFORMATION EVENING

We will be holding our next New Entrant Information Evening on **Thursday 6th August**, from 4:00pm - 5:00pm, in Room 4. If you have a child starting in term 3 or term 4, we welcome you along to this evening.

### SPARE CLOTHES REMINDER

A friendly reminder that all students please have a change of clothes in their bag in case they get wet or muddy. We are getting too many students coming to sick bay expecting a change of clothes, and while we accommodate where we can, we are unable to do this for everyone.

Kind Regards  
Maurice Young  
Principal

## SPORTS NEWS

### FOOTBALL COMPETITION AT HOBSONVILLE SCHOOL

What a pleasure it was to take our Year 6/7/8 Football Teams to Hobsonville School on Wednesday 1st July.

With neither Hobsonville girls or MVS girls fielding any club footballers, the match was a fantastic learning experience for both sides. MVS dominated the game with some very good shots at goal. The girls won 1-0.

It was a different story with the boys as most players had some football experience. Our MVS boys played some outstanding football winning the game 7-0.

Many thanks for the parents who supported the team and helped with transport on the day.

### YEAR 5/6 NETBALL COMPETITION

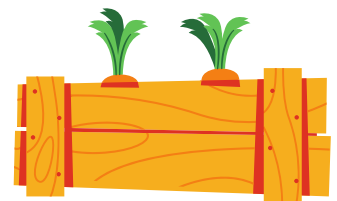

We had waited so long to get a chance to play netball, training our hearts out. Sunday morning we excitedly turned up at the North Harbour netball courts ready for our first pre-season tournament as a team. The first game was a little unfamiliar but we won the game. We got better and better as we got used to each other and our abilities to play together as a team. Our team had 4 exhilarating and tight games and got into the final. Everyone looked tired but excited, fueling up on food and water while we waited nervously for our final. The final was exciting, the score going up and down evenly as we sprinted both ways across the court. The final bell rang and we were drawn with the opposition team. We had to go into overtime. The pressure was on! We got an intercept and kept the ball safe so that we could score the winning goal! Our hearts stopped beating as the ball went up and into the net. The crowd went wild! We won the tournament!

## GARDEN TO TABLE PROJECT

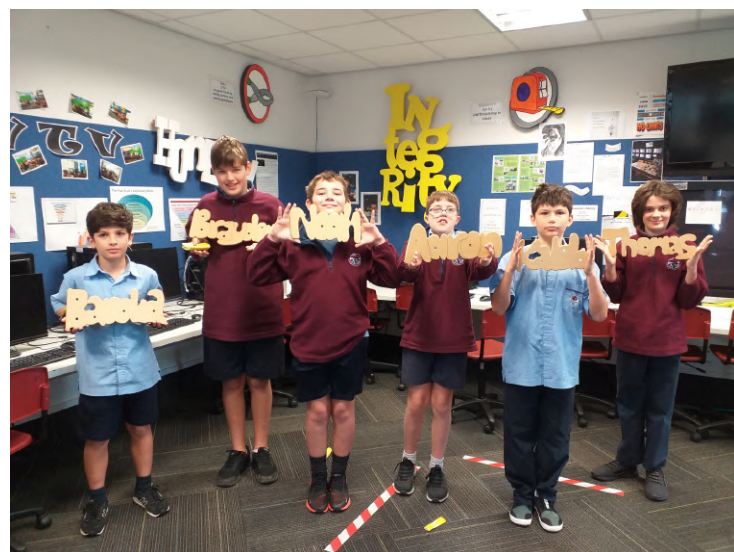

The children were excited to see how their gardens were growing after the 2 week break. The plants had grown a lot and there was some serious weeding to do this week, but everyone pitched in and we got the job done.

## TECHNOLOGY

The Imagineers had fun this week making their names out of MDF. The exercise was to learn about sanding materials with different grades of sandpaper (40, 60, 80, 120) and the techniques used.

Sanding the wood was all about a lesson in patience which they can apply to life in general.....the longer you stick at it and with different grades of sandpaper the better the final result! The students were very happy with their results.

## STUDENT DANCE SUCCESS

Congratulations to Peyton and Mackenzie Waters for their outstanding efforts to reach the finals in the International Online Dance Competition. Mackenzie made the finals in her lyrical and lyrical duo; Peyton in her Jazz and Jazz duo. As a studio, Dance24Seven had 5 items in the finals. Congratulations girls!

## NEW ART MURALS

Thank you to Mrs Jackson for the amazing artwork she has been working on this year with the Year 5, 6 & 8 students. These murals have been put up near the Year 6 classes and the hall, and look fantastic!
