OUT OF ZONE APPLICATIONS

Due to our high numbers at present, we will only be accepting out of zone applications from siblings of current students. Anyone who lives out of zone and has siblings joining us in 2021 needs to complete an out of zone application form by Wednesday 14th October (forms are held at the office). Applicants will then be advised in writing following the Ballot date of Wednesday 21st October.

SCHOOL MAGAZINE PRE-ORDERS

The children have been compiling their school magazine to show the exciting things they have been working on during the year. This is a great record of 2020 and perhaps a more memorable one this year with Covid-19 and distant learning that our children experienced. Pre-orders are now open and must be received by **Friday 25th September**. The cost is \$20 per copy. Please order on the link:

PHOTOLIFE GROUP PHOTOS

On Wednesday 14th October, Photolife will be at school taking all of our group and team photos. More information will be sent out shortly.

THANK YOU

Thank you very much to the Chea Family for their very kind donation of a computer and screen to the school, we greatly appreciate this.

END OF TERM

A reminder school finishes for Term 3 this Friday 25th September at 2:15pm. The Year 0/1 children can be picked up at 2pm. Term 4 starts on Monday 12th October at 8:50am. I wish you all restful break and look forward to seeing the students return well rested on Monday 12th October.

Kind Regards
Maurice Young
Principal

100 DAY PARTY

On Tuesday 22nd September, Room 3 & 4 celebrated their '100 Days at School' by having a picnic lunch and fun activities throughout the day.

MATHEX COMPETITION

On Tuesday 22nd September our Year 7/8 extension students challenged some staff members in a Mathex competition at lunchtime. It was a fun and exciting challenge putting the teacher's maths skills to the test!

GARDEN TO TABLE

Room 32 has been working on growing vegetables this term. NZ Education board has collaborated with the new local New World for a garden project in schools. Room 32 is participating in this project and students in our class are growing their own vegetables. This is a wonderful opportunity to grow, protect and taste new vegetables. Students were told that this is a secret club, now recruiting new members!! We played some games that focused on garden vocabulary and it became apparent that students needed to learn more about the vegetables grown locally. Parents in room 32 were requested to take their children to the local vegetable shops and to involve them more in cooking at home. We are thrilled to report that our seedlings are growing as expected and we can't wait to taste the vegetable we are growing. We are all proud members of the Little Garden League.

Ratios and Proportion with Berry Crumble

Room 32 collaborated with Room 25 to observe them making a berry crumble. We needed to double their recipe in order to have some to taste as well. All students took notes while watching the Year 7/8 make their crumble and then worked together to double the recipe. They needed to work out what is the double of $\frac{1}{4}$ cup, $\frac{1}{2}$ cup, 1 cup and 2 spoons. The consensus was that doing double maths when it involved baking was acceptable and students won't mind trying this again.
