Dear Parents & Caregivers,

PHOTOLIFE

Class photos and Individual/Sibling photos have now been taken. A flyer will be sent home in a few weeks with a 'shoot key' once the photos have been processed by Photolife, then you will be able to order your photos online.

TEMPORARY FENCING

Please note we are having some temporary fencing installed around the school next Monday for children's safety, as we have some of our young children who are learning to stay within the school boundaries. The gates on this fencing will be located between the junior playground and the main admin block; the pathway next to the hall near the learning hub, and the gym near Picasso Drive. These gates will be closed at 9am and reopened again at 2:45pm. If there is any need for you to come in during the day please come through the office and sign in. Thank you for your understanding.

SPARE CLOTHES REMINDER

A friendly reminder that all students please have a change of clothes in their bag in case they get wet or muddy. We are getting too many students coming to sick bay expecting a change of clothes, and while we accommodate where we can, we are unable to do this for everyone.

HALL CARPARK SAFETY

Thank you for your support with the new procedure of locking the staff carpark by the hall in the morning and afternoon. A reminder that this carpark will be locked from 8:30am - 9:30am and 2:00 - 3:15pm each day, to ensure the safety of our children during drop off and pick up times.

THANK YOU

Thank you to Soljans Estate Winery who have generously donated 20 Mystics Netball tickets to Marina View School. We really appreciate this kind gesture.

NOTICE OF ROADWORKS

Auckland Transport have advised of some road works taking place from 16th June for 3 working days (weather permitting) from 7am - 6pm. The affected roads are Picasso Drive from the Tennis Club up to Marina View Drive, Cesari Place and Renoir Street. There will be a one way detour in place and residents access only. All roadwork areas will be signposted for your safety. Please keep young children and animals well supervised and clear of these work areas.

Kind Regards

SPORTS

Y7/8 TABLE TENNIS ZONES

On Thursday 10th June our Year 7/8 Table Tennis team took part in the the Northwest Zone Tournament hosted by Hobsonville Point. At the end of the pool matches, six members of our team qualified for semi finals. Congratulations to:

Oliver Kiing - 1st Boys Singles

Xavier Hughes - 2nd Boys Singles

Tayla Hawkes - 1st Girls Singles

Emma Lynch - 3rd Girls Singles

Many thanks to parents who provided both transport and support during the day.

Y8 GIRLS SOCCER AUCKLAND CHAMPS

On Tuesday 15th June, our Year 8 Girls Soccer Team, who recently won the Northwest Zone Competition, competed in the Auckland Championship. The tournament was hosted by Western Springs Club with all the matches being played on artificial pitches. This was a fantastic opportunity for our Marina View Girls Team to play against the best in Auckland. Our girls didn't let themselves down, scoring goals against their opponents and finishing the day with a win, three losses and a draw.

Many thanks to parents who provided transport and support on the day.

Y6 CHESS ZONES

The Year 6 Chess Team headed to St Pauls Primary School in Massey on Tuesday 15th June to compete in the Northwest Primary Chess Championship. Congratulations to Maia Andrell who won 5 out of her 6 games, and to the team for putting in their best efforts. The team did not place but had a great time learning the intricacies of the game of chess.

Y7/8 CHESS ZONES

On Wednesday, the 16th of June a group of selected students went to a Chess Zone Day at Kelston Boys High School. All the Marina View Chess students got onto the bus to get there. Unfortunately, due to traffic, we were late and arrived when the other schools were already in their teams playing Chess. We quickly joined the rest of the schools and began to play. Parent helpers walked around taking photos and supervising the children from Marina View School. There were also parent helpers from other schools as well. Once the first round had finished we had morning tea while the other teams finished up their games. Soon everyone had finished their first match and we began our next one. We had 6 matches to compete in against rival teams, we could also play the other teams from Marina View. After each match the arbiters (Chess judges) put up sheets of paper showing the current results and who we were playing next. In the last couple of matches some of us began feeling really nervous as the tension was building for who we were going to play next and what place we were ranking. Eventually the final results were put up and we crowded around the board. Marina View Group C came 27th, and Group E came 19th.

STUDENT WORK

SEVEN SHARP MUSIC STORY

On Tuesday 15th June, some of our Year 4 students were involved in a story about kids music, which aired on Seven Sharp on Tuesday evening. The children were interviewed by Rhys Mathewson, who you may recognize from 7 Days. Rhys wanted to know what makes a good kids song, and wanted to talk to some 8 year old children about what their favourite song is and what sort of topics they want to hear songs about. The children were great and gave some interesting and funny answers. Rhys then performed a brand new song that he wrote about a 'Goose on the Loose' in front of the class and asked for their feedback - some very honest opinions! The children had a great time and were filled with confidence during the filming. Well done Room 11 TV stars! Here is a link to the story: <https://fb.watch/689FugjbvK/>

YEAR 6 INQUIRY - HAOURA

Year 6 has been learning about wellness and all that it encompasses. We had the opportunity to welcome Raquel Minh owner of Kanuka Yoga Space at Hobsonville. She shared with us the strong link between mindfulness and yoga and how the two complement each other. Raquel educated the students about the three most important principals of yoga - breathing, movement and non-harming nature of this practice. We also had the opportunity to try out some yoga poses such as mountain pose, table top pose, infant pose, downward dog pose and our favourite warrior pose. It is amazing to see our community members coming forth and sharing their time and expertise to help the students understand the connection between their learning and the real world. Students will now launch head first into creating their wellness retreats and will be giving valid, well thought out reasons for including different wellness activities in their projects.

YEAR 5 OUTDOOR EDUCATION AT CAREY PARK

Thank you to all those parents who helped out in our Outdoor Education Programme at Carey Park. Your special efforts were much appreciated. Our students loved your encouragement to participate in a range of very cool social and physical challenges. These included crate stacking, archery, air rifles, flying fox, problem solving and rock climbing. The weather didn't seem to bother the children at all; lots of happy smiling faces everyday.
