## Y7/8 NETBALL ZONES

Congratulations to all the students who participated in the North West Zone Netball tournament on Tuesday. All teams had an extremely successful day. Our Year 7 boys and girls teams both won their competition. Our Year 8 girls dominated their opposition and also won their division. Our Year 8 boys won all their round robin games, but we're unlucky to lose narrowly in the extra time final. Thanks to all our coaches, parents, and supporters who helped us in making this tournament such a successful one for our school. Bring on Auckland Champs!

## Y7/8 RIPPA RUGBY

On Wednesday 4th August, our Year 7/8 Mixed Rippa Rugby Team competed in Day 1 of the Rippa Rugby Competition at North Harbour Stadium, playing in the boys grade. It was the first run as a team playing together in preparation for the AIMS games coming up in September. The team had a great day, winning 3 out of 4 games. The team will compete again on 1st September before heading off to compete in the AIMS Games on 5th - 10th September. Thanks to all the staff and parents who helped with transport and support on the day.

## Y7/8 MUD RUN

Last Wednesday, the 4th of August the Year 7s and 8s went to embark on a muddy journey. This was held at Helensville Tennis club and was to raise money for the Cure Kids Foundation. It was a beautiful clear day after a few nights of terrible rain. This made sure the mud was slushy and ready to go.

The best thing about the Mud Run was, playing in the mud and throwing mud at our friends. It was a competition to see who could be the muddiest. There were challenges as it was a 3 km course with hills, a bit of water, tunnels and stuff to crawl under. To cap it off it was a slippery walk across a muddy bridge to the finish line.

We all had fun helping and encouraging each other through the mud. No one walked alone. All of us were safe and happy to help out a great cause. A big thanks to all the parents who helped out on the day. We could not have gone on the trip without you.

# YEAR 2 TRIP TO MUSEUM

Earlier this week the Year 2 team visited the Auckland Museum as part of their Inquiry learning into 'Enchanted Creatures'. They explored the Sea Monsters exhibition and were involved in a classroom lesson in which they got to handle fossils. They looked at fossils, skeletons, and replicas of aquatic reptiles that have been discovered in New Zealand and Australia. Some of the children's highlights included holding a fossil of a megalodon tooth, getting to design a plesiosaur, and looking in awe at the sheer scale of some of the prehistoric sea creatures.

# TECHNOLOGY - ANIMATRONICS

The Intermediate students are learning about Animatronics, and have started making a 3D head from a series of nets. From there they will insert the eyeballs and make them move either up and down or side to side - that will be an interesting challenge so more on that later. Yolanda and Harper have already finished their 3D heads, how cool do they look!
