Dear Parents & Caregivers,

PHOTOLIFE ORDERS

This week you should have been emailed a "Photo Access Key" to be able to look at the class, portrait and siblings photos that were taken in June. Please follow the instructions carefully to place your orders online. If you order prior to midnight on Sunday, 21st August 2022, then any orders will be sent to the school free. After this period, you will incur a delivery charge.

BOARD OF TRUSTEES PARENT ELECTONS

Thank you to those parents and caregivers who put forward a nomination for Parent Representative to the Board of Trustees. The nominations have now closed, and we now wait for further instructions from our Returning Officer regarding whether we will be going to a vote or not.

YEAR 0, 1 & 2 AFTERNOON GATE TIMES

Year 0, 1 & 2 children are now being collected directly from their classrooms after school. Gate 1 opens at 2:50p.m. for parents/caregivers to come onsite and collect your child from their classroom. A reminder that once you have collected your child, if they have older siblings, please wait for them outside the usual gate.

Gates 2 & 3 will open at 3:00pm, for all other year levels to leave.

With the current situation regarding winter bugs and Covid, we would ask that you please wear a mask on school grounds, and also not to linger after you have collected your child. Thank you for your support with this.

TEACHER ONLY DAY

As part of the NZEI Collective Agreement, our school will be closed on Friday 26th August for a Teacher Only Day. Teachers will be involved in Professional Development on this day and the school will be closed for attendance. If you need to book care for your child, please contact Kids Knection on kidsknection@outlook.com.

Kind regards
Maurice Young
Principal

SICKNESS & COVID

Please continue to let the school know as soon as your child tests positive for Covid, or becomes a household contact. Also when reporting a child's absence for being sick, please advise the **reason for the sickness** and do not just write 'sick'. This information is important as we are required to update the Ministry of Education with Covid cases in the school. Thank you for your cooperation.

WINTER UNIFORM

Please ensure your child/children are wearing correct Marina View School uniform. As the weather is colder now please also ensure your child has a Marina View School jumper. If you need to order any new uniform items, this can be done online at

<https://www.argyleonline.co.nz/shop/auckland/marina-view-school>.

Please also ensure all children have a spare change of clothes in their bag, especially during winter months when they may get wet or muddy.

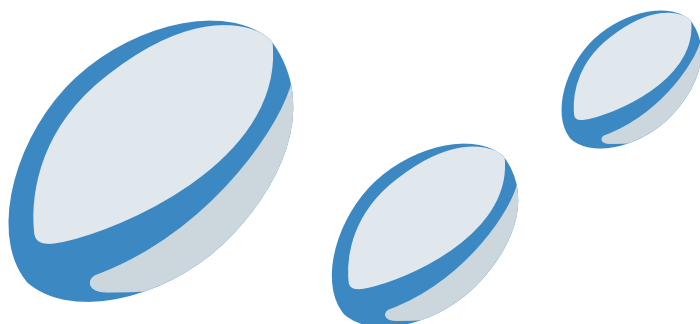

SPORTS

Y3/4 & Y5/6 RIPPA RUGBY DAY 2

On Tuesday 3rd August, the Year 3/4 and Year 5/6 Rippa Rugby Teams finally got to play their Day 2 Competition after being postponed from the week before.

All the teams had a great day playing, and while the games were not scored our teams did very well dominating many of their games. The Year 5/6 boys team did very well scoring the most tries in each of their games.

A huge thank you to those parents and caregivers who helped coach/manage a team on the day, and for the support on the sidelines.

Y7/8 RIPPA RUGBY ZONES

Yesterday our AIMS Rippa Team participated in the North Harbour Rippa Zone Day. The team came up against boys from Albany Junior, Murrays Bay Intermediate, Helensville School and Woodhill, and they won all of their games convincingly. This team will be travelling down to Tauranga in September to compete against other schools from around the country. Thanks to Isaac Oldham for coaching the team and the parents who came out and supported them.

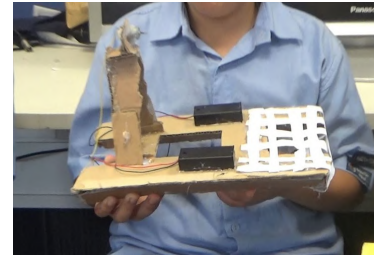

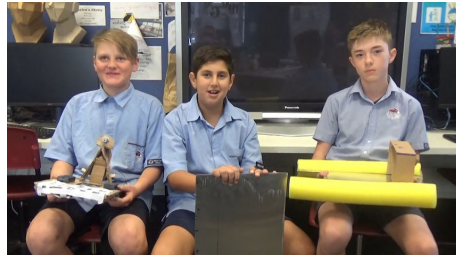

TECHNOLOGY IMAGINEURS AND IMAGINARIOS

'DUCOG' Progress

Last term our group of STEAM students had to design a "water vehicle" to retrieve a duck that the hunter shot (because their duck dog was sick). They had various prototypes then decided on a design. They made it out of card first – half size, and now they have started making the real thing with aluminium so that's going to be fantastic fun. They are learning so many design skills and making the "real thing".

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei

Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

Room 25 has been learning about the Marina View School Maunga's. We discussed ways that we can see us using the three attributes to highlight each Maunga. These attributes are Mana, Manaakitanga and Maramatanga. We went to Room 8 and showed Manaakitanga to them by sharing our knowledge of Maori games and sharing stories with them. After that we decided to create role plays to show the three attributes using a Pixton comic. Here are a few examples of our comics.

Mana is about feeling confident and proud with your learning, and being happy about what you have accomplished.

Maramatanga is about being understanding and caring for the people around you and helping out the best you can.

Manaakitanga is about being generous and caring about your surroundings without being told. Its about showing respect to others and helping them out.

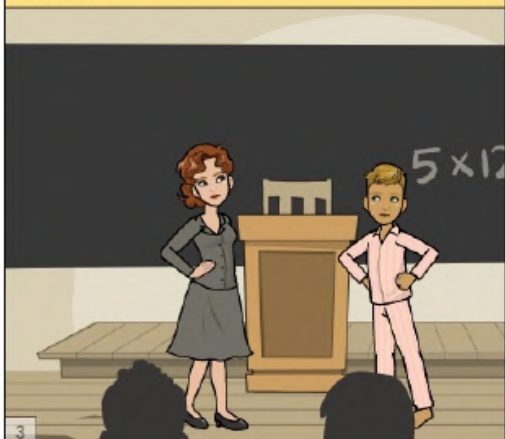

helping people when there down and looking after them is showing mana

setting goals and being curious is showing maramatanga

Manaakitanga is when you listen to others to gain new information

MASSEY HIGH SCHOOL COMMUNITY SHOWCASE

On Wednesday 27th July, our school Senior Choir, Orchestra and Jump Jam Team were invited to perform at the Massey High School Community Showcase. This was an opportunity for students in the community to showcase their talents. Our Choir and Orchestra, lead by Marian Sinclair, performed 3 numbers each and did an amazing job. Our Jump Jam team performed a version of their routine that they will compete with later in the year, and persevered through some technical difficulties to deliver an outstanding and exciting performance. The students did Marina View proud, and Massey High Principal also commented on how outstanding our children were. Well done to all involved!
