Dear Parents & Caregivers,

WELCOME TO THE 2023 SCHOOL YEAR

Welcome back to the new school year everyone.

With the recent wild weather events it hasn't been the smoothest of starts to the year, and our thoughts are with the many families and whānau around the country who have been badly impacted by these weather events.

With the weather now settling we are looking forward to a great term ahead. Welcome to all the whānau and children who are new to our school in 2023. I am sure that you will have a wonderful time at Marina View School, and I look forward to meeting you during the year.

I hope that the holidays were relaxing and enjoyable family times for you all.

Welcome to our new teachers; Meghan Harris, Phoebe Millwood and Melissa Whiting and Chris Groen (who is taking music for the next 7 weeks).

We are really looking forward to a great year of learning in 2023 (hopefully with minimal disruption).

We are enjoying seeing all the children's smiling faces, and hearing about the things they have been doing over the holidays. Our children look excited to be back at school and already there is a positive energy around with a buzz of activity throughout the school.

This term the learning Context for the school is 'This is Us' where the children will be undertaking learning experiences about personal and social identity, celebrating who we are and where we have come from.

Each syndicate will have their own particular focus which I am sure will give our children lots of rich opportunities and experiences, to develop as active learners.

Best wishes for a settled and sunny 2023.
