Dear Parents & Caregivers,

MATARIKI WHĀNAU OPEN AFTERNOON

It was lovely to see so many of our school whānau visit last Thursday afternoon, coming together to celebrate Matariki as a school. We hope you enjoyed the activities and had an enjoyable weekend with your whānau. Please refer to page 6 for photos from the day. Thank you also to those who donated fairy lights, so we were able to 'light up' and share this special occasion with our community.

PHOTOLIFE

Individual & Sibling photos have now been taken. Photolife will be emailing parents/caregivers a 'key code' soon for ordering your children's photos online. Please check your emails over the next few weeks.

STUDENTS SICKNESS

Thank you those parents, caregivers and whānau who are continuing to inform us when your child is away sick. Please ensure you give the reason for your child being sick, as this can help us manage the spread of illnesses where possible.

Thank you very much for your cooperation with this matter.

LATENESS

We are noticing a large number of students who are consistently coming to school late. It is important that children are at school before the start of the school day at 8:50am, to ensure that their learning isn't impacted by being late. It is a legal requirement for all children to be at school regularly, of which we are obliged to keep track of every child's attendance. Your support is greatly appreciated.

TEACHER ONLY DAY - TERM 3

Please note we will be having a Teacher Only Day on Monday 25th August, for curriculum professional development.

END OF TERM 2

A reminder school finishes for Term 2 this Friday 27th June, at 2:15pm. Term 3 starts on Monday 14th July at 8:50am. I wish you all a restful break and we look forward to seeing the students return well rested on Monday 14th July.

Kind regards,
Maurice Young
Principal

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei
 Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

~ Room 23 ~ Maunga Moment ~

Room 23 has been diving into the wonders of space, engaging in exciting hands-on activities such as building prototypes, constructing robots, and designing parachutes. The students have been investigating how to launch and create the perfect rocket, ensuring they are well-prepared for a successful test. Throughout their learning journey, they have shown Maramatanga by working closely in pairs and engaging in thoughtful discussions about what strategies might succeed or need improvement. They've also demonstrated Mana and Manakitanga through their resilience, curiosity, and collaborative spirit. It has been truly inspiring to witness their progress and the incredible growth in their confidence.

YEAR 7&8 CYCLE SKILLS

This week, our Intermediate students took part in the cycle skills training programme funded by Auckland Transport and Waka Kotahi (NZ Transport), delivered by Harbour Sport. The students undertook Grade 1 training where they developed balance and bike control skills including starting and stopping, steering and maneuvering, riding with one hand to signal, looking around and behind, using gears and stopping quickly with control. The students all enjoyed their sessions and participated with enthusiasm.

GARDEN TO TABLE

Recently, the Garden to Table students have been back in the garden taking control of the weeds. We have lots growing in the garden and now we can see what we have. Thanks to all the hard work of our student gardeners we now have vegetables to share with our classes. We will be planting more winter vegetables in the coming weeks as well as carrots, parsnips, and other root crops.
