Dear Parents & Caregivers,

TEACHER ONLY DAY

Please note we will be having a Teacher Only Day on Monday 25th August, for curriculum professional development. School will be closed to students on this day. If you need to book care for your child, please contact Kids Knection on kidsknection@outlook.com

We look forward to seeing everyone back on Tuesday 26th August.

AFTER SCHOOL PICK UP REMINDER

Unless your child is making their own way home from school please ensure your children are picked up at 3pm. We have an after school care facility available for parents who can't leave work in time to make this 3pm pick up. Of late, we have had a number of children who are not being picked up from school when the bell rings at 3pm and are left unattended in the school playground. After 3pm all of our staff are busy doing their own work so your child is not being looked after. We have had a few incidents now where students have been hurt or in social disputes while unsupervised and staff have needed to sort these incidents. It's important that our children are safe and if they here after the 3pm bell playing, having parents present is greatly appreciated.

SCHOOL BOARD ELECTIONS

Voting in our School Board elections is underway and you are now able to vote in the election. We have had 8 candidates nominated for 5 vacancies for parent representatives on the Marina View School School Board. Eligible voters should have received voting information from Election Pilot - our Returning Officer for the election.

The voting will close at 4pm on Wednesday 10th September and the results will be available on Tuesday 16th September. The candidates who receive the most votes will be elected to the board and the results will be shared with the candidates and our school community.

If you have any questions about the election process, please contact the Returning Officer directly on 0800 VOTENZ (0800 868 369) or election@electionpilot.nz.

We are finding boxes of unwanted clothes and goods being dumped on the school grounds after hours. If you have clothes or other goods that you do not need anymore, please find a suitable organisation to donate these to such as 'Give a Kid a Blanket', or 'Salvation Army'. YEAR 5/6 RIPPA RUGBY

On Thursday 7th August, we took three Year 5 & 6 teams to participate in day 2 of the North West Rippa Rugby Day, at Moire Park. All teams played very well, with our boys and girls teams once again finishing the day undefeated. Many thanks again to Miss Phillips for organising the day and overseeing the event, and to our parent helpers who coached, managed and provided support and transport on the day.

YEAR 7/8 NETBALL SEASON

Congratulations to our Year 7 & 8 Netball Teams who played their final games of the season on Wednesday afternoon. Our Year 7 teams both won their grades, and our Year 8 teams finished 3rd and 4th in their respective grades. A big thanks to Mr Oldham, Mrs Taljaard, and our parents who helped with coaching and umpiring the teams throughout the season. To all the parents who supported each week at the games, thank you also.

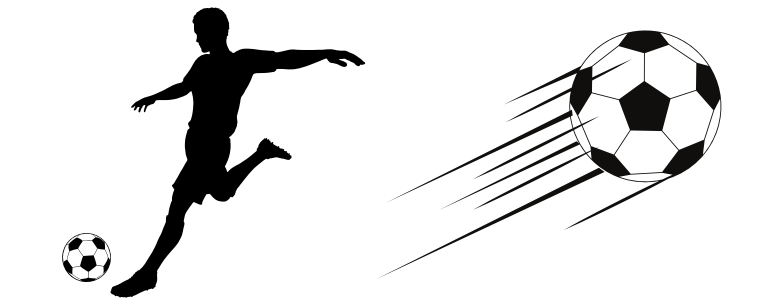

CROSS COUNTRY ZONES

On Tuesday 12th August, we took 40? students to represent Marina View School at the North West Zone Cross Country Competition on held at at Muriwai Surf Club. It was a beautiful day for running against some tough competition from approximately 70 runners of other schools in each year level. Our runners did very well once again, with the following students placing in the top 10:
Alexxa Garbers - 4th overall in Year 5 Girls
Kingsley Wei - 4th overall in Year 6 Boys
Maia Timoti-Munoz- 6th overall in year 6 Boys
Belle Rooney - 9th overall in Year 6 Girls
Ella Mate - 7th overall in Year 7 Girls
Stephen Oldham - 5th overall in Year 8 Boys
 Thanks to all the parents/caregivers who gave up their time to provide transport and support on the day - without your help we could not attend these zone days so thank you once again.

YEAR 5/6 FOOT BALL ZONES

Yesterday our Year 5/6 Football Teams finally got to compete in the Northwest Football Zone day after the event was postponed in Term 2. Both the girls and boys team played well against some strong competition, with our girls team going throughout the day undefeated, winning the final 1-0 against Huapai School. Thank you once again to all our parents who provided transport and support on the day, and to Mr Oldham for coaching the teams on the day.

WHIRIA TE TANGATA KĀHUI AKO SPEECH FINALS

A huge congratulations to Dominga Reyes Gonzalez, Year 6, and Stella Kelly-Brown, Year 8, who represented Marina View School at the Whiria te Tāngata speech finals this term.

After winning their respective year group speech competitions at school, both students went on to deliver powerful and well-crafted speeches about Te Whenua - The Land, at the inter-school event. Their preparation, clarity, and confidence were impressive – a testament to the effort they put into developing and refining their ideas.

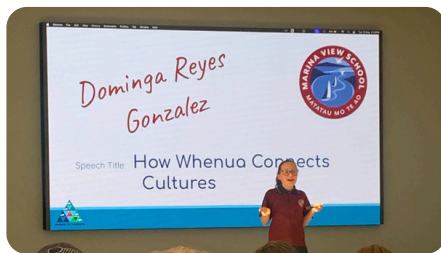

Congratulations to Stella who placed second overall in the Year 7/8 category, and Dominga who placed 3rd in the Year 5/6 category – an fantastic achievement!

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei
Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

~ Room 16 ~ Maunga Moment ~

Room 16's recent visit to Corban's Art Estate was a fantastic opportunity to put Marina View School's values into action beyond the classroom. During our workshop, The Story of Clay, we explored how clay is formed within the earth – drawing inspiration from the natural layers, patterns and textures found in rocks and water.

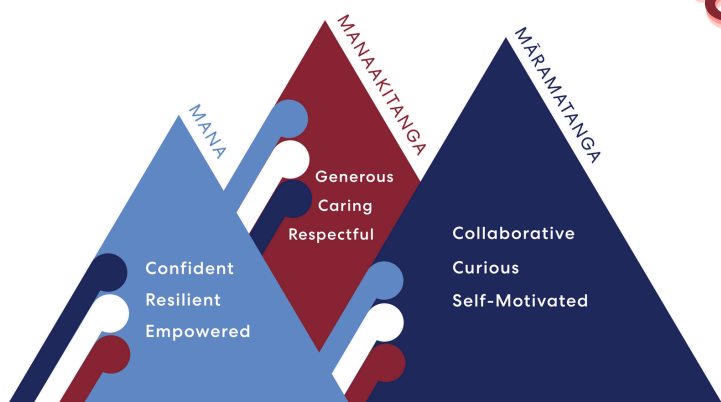

With creativity at the forefront, each student crafted a unique clay pot with a lid that was designed to be both useful and decorative, serving as either a wall hanging or a special taonga. We then decorated our pieces, ready for firing.

As we shaped our clay pots, Room 16 showed Mana by embracing the challenge with confidence and creativity, demonstrated Manaakitanga through our sharing of ideas and materials, and embodied Maramatanga by working together and exploring the process with curiosity.
