TE REO-ATHON

To celebrate Te Reo Māori Language week, we will be running a 'Te Reo-athon' challenge. Children will be given some words to learn over the holidays, and will then be tested in Week 2 or Term 4. Each child is encouraged to seek as many sponsors as possible. After the test, the class teacher will enter the result and sign the sponsor sheet. The children will bring their sponsor sheet home and can then collect the money from their sponsors.

AIMS GAMES 2025 – RIPPA RUGBY TEAM

On Saturday 30th August, our Marina View School Mixed Ripa Rugby team went down to Tauranga to compete at the 2025 Zespri AIMS games, the biggest intermediate sports competition in New Zealand. The team has been working hard all year with fitness and skill based training, tournaments and fundraising in preparation for the week long tournament. The team went unbeaten in the first two days, to make the top 16 out of 75 teams. They then successfully went on to finish in the top 8 after Wednesday's games and headed into the playoffs on Thursday. After a tough few games to start the day, Marina View ended up playing off for 5th & 6th and finished in 6th place after narrowly losing to Tamatea Intermediate. Final result – 6th place out of 75 teams, and the top Auckland Team – a massive achievement!

A very special thank you to Mr Oldham for spending countless hours coaching the team, in what was really a two year campaign with many of the players from the team growing their skills over the past two years. Also to Mrs Kimber for all the hard work organising and managing our team for the week – there is a huge amount of work that goes into sending a team to such an event and your efforts are greatly appreciated to give these students such an incredible experience.

NETBALL PRIZE GIVING 2025

2025 has been another successful year for Netball at Marina View School. We had 10 teams competing in either the Kidzplay Competition, held at Pinehurst School, or at Netball Waitakere in Henderson. Thank you to all the coaches and managers who made this season possible and such a successful one. We really appreciate your dedication, your passion, commitment, and enthusiasm to coach our children and give them such a positive netball experience. Thanks also to the parents for watching the game each week, the children couldn't do it without your support either. Congratulations to all the teams who played this year. NZ INTERMEDIATE WRESTLING NATIONALS

Congratulations to Matai Tagaloa, who competed at the NZ Intermediate Nationals Wrestling Tournament representing Marina View School. Matai did very well, earning a silver medal, narrowly losing 4-2 to a very experienced competitor. An amazing achievement given the high-level competition. Well done Matai!

YEAR 7/8 CAPTURING JOY SHOWCASE

As part of this term's Inquiry Art for Arts Sake, our Year 7/8 students have been focusing on the concept of JOY and how we can express ourselves through the Arts.

The Year 7/8 team have been creating short films that express something about JOY, and they showcased some of these at our 'Capturing Joy Showcase'. The students performed 3 shows this week, and each class also performed a 'Music Through the Decades' dance.

Thank you to all the whānau who bought tickets to the shows – the students and teachers have all put in a huge amount of effort to prepare for the shows and your support means a lot to them.

This term the Year 5/6 team have had a focus on The Arts. As part of this unit, each member of the Year 5/6 team has created a piece of Art. This could be a piece of visual art, dance, drama or music. On Wednesday our students put on an exhibition to display the art that they had created. This included the dance, drama and music groups performing their piece of art on stage, as well as an art exhibition, where the students who completed visual arts displayed their work for the term. Well done to all the students who showed confidence performing on stage. Thank you to all the whānau who came along to watch the exhibition - we hope you enjoyed seeing what the students have been working on this term.

MARINA VIEW SCHOOL MAUNGA MOMENT

Whaia te iti kahurangi ki te tūohu koe me he maunga teitei
Seek the treasure you value most dearly: if you bow your head, let it be to a lofty mountain

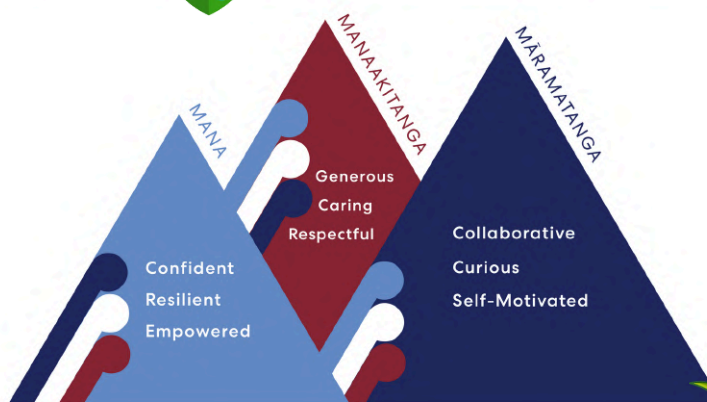

~ Room Tahi Rua ~ Maunga Moment ~

In Tahi Rua we have been showing our school value of Māramatanga as we learn through Ngā Toi – the Arts. We were curious when we explored how to design and modify our Year 1 garden to make it more beautiful and friendly for insects. We worked collaboratively, sharing ideas and creating artworks inspired by famous artists. We showed we are self-motivated by turning our designs into action and proudly displaying our creations.
