Dear Parents & Caregivers,

JUMP JAM NORTH ISLAND CHAMPS

Congratulations to our Year 7/8 Jump Jam team competed at the North Island Jump Jam Champs last Saturday 8th November, in Tauranga and ended up winning not only their category regionally but also nationwide. A huge thank you to Miss Phillips for all the time and effort put into preparing this team for this event – a lot of work goes into the practises and costumes and we are so pleased that your efforts have paid off. Ka pai team!

END OF YEAR SCHOOL PRIZE GIVING

Marina View School will be celebrating Prize Giving as a whole school community in our gymnasium across Years 0–8. The date of prize giving is Tuesday 9th December and will be held in our gymnasium at 1:45pm.

Each class will be giving out four to five certificates (depending on class numbers), one excellence per year level, and three based around our school Maunga Values– Mana, Māramatanga and Manaakitanga.

Parents/Caregivers of prize winners will be notified if their child is receiving an award. **We request that only 2 family members of prize winners attend the prize giving, in order to minimise the numbers in the gymnasium at any one time.**

The Year 7 and 8s will continue as they have in previous years, with the key focus of the night being about the celebration and graduation of our Year 8 students. The date for this celebration will be Thursday 11th December at 5:00pm in the school gymnasium. The colour for this year is **BLUE**.

SPORTS

YEAR 7/8 TOUCH ZONES

On Tuesday 4th November our Year 7/8 Boys and Girls Touch Teams travelled to Moire Park to take part in the North West Touch Zone Competition. Our boys team finished unbeaten in pool play, and went onto play the final where they narrowly lost 1-0 in a very close game against Helensville. Our girls team started off well and faced some tough competition as the day went on - they ended up finishing 5th overall. Many thanks to parents who provided transport and supported our teams during the day.

YEAR 5/6 CRICKET ZONES

On Tuesday 11th November we took our Year 5/6 Boys and Girls Cricket Teams to take part in the North West Zone Cricket Tournament. The teams faced some challenging opponents, and while they didn't end up placing they all learned a lot and improved their cricket skills throughout the day.

YEAR 7 /8 KOREAN GAMES

YEAR 7/8 JUMP JAM NATIONALS

On Saturday 8th November, our Year 7/8 Jump Jam team competed in the Xtreme category against the top 5 teams in the North Island at the Jump Jam North Island Competition. We performed the song 'I Like to Move It' and our team "Escape to the Wild" scored 98.2 out of 100, meaning we placed not only 1st regionally but 1st nationally. The kids worked super hard to bring a high quality performance and this was recognised through our presentation and costumes showing a Madagascar theme. I am super proud of my team and appreciated all the support from the families. A special thanks to Sports and Spinal and The Road House Korean Restaurant for sponsoring our amazing hoodies. Come and check us out at the Marina View Family Fun Night!

YEAR 5 ACTIVITY DAYS

In Week 5, our Year 5 children enjoyed Activity Week which involved 4 days of different activities, including water safety at AUT Millenium, survival skills at Woodhill Forest, team building games at school and wall climbing at Vertical Adventures. These experiences encouraged the children to learn and develop new skills, interact with others and build confidence and resilience. It was lovely to see the children demonstrating our Mana values of confidence, resilience and empowerment.

TECHNOLOGY

The creative projects the Intermediates are making are coming along well. Now is the time to get really creative and stencil designs and patterns onto the boxes. Some of the designs and use of colour and shading are brilliant. You may be very lucky and get one of these as a Christmas present

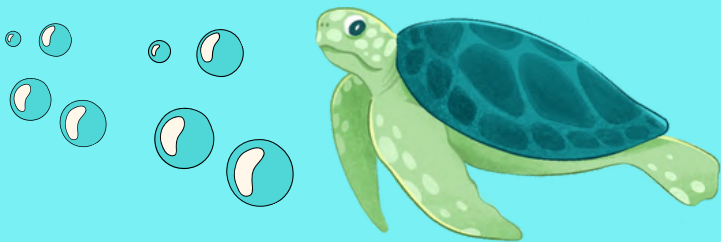

Mr Gover

YEAR 2 WRITING

I imagined a sea turtle. The turtle was shimmering green. It was getting greener and greener as it got closer. It had square patterns on a smooth shell. He was showing me he was happy by moving its tail. Its eyes were still and his flippers looked like it was gliding to a cave. It had a smooth and bumpy shell. It was camouflaging in the dark shivering water. It was chomping on thin seaweed. It was very calm and silent.
