Dear Parents & Caregivers,

NEW ENTRANT PARENT INFORMATION MORNING

There will be a New Entrant Information morning on Friday, 21 November in Tahi Rua, from 9.15am – 10.30am, for in zone children who are turning 5 years old during December 2025 until end of February 2026.

All families who are in zone and have children turning 5 years old in 2026, please visit the school office for information regarding the enrolment process.

THANK YOU

A very big thank you to Mr Wei who donated two brand new boxed headsets and 25 keyboards to the school. This is very much appreciated and has been passed onto our IT department.

JUMP JAM NORTH ISLAND CHAMPS

Good luck to our Year 7/8 Jump Jam team who are off to compete at the North Island Jump Jam Champs next Saturday 8th November, in Tauranga. Miss Phillips has put in huge amount of effort throughout the year getting our team ready for this performance. We wish them all well and look forward to hearing how they get on.

CHILDREN LEAVING AT THE END OF 2025

Any students in Years 0–5 who will be leaving Marina View School at the end of year, please advise the office to assist us with our planning.

Year 6 & 7 students should have completed the Re-enrolment Google Form to let us know if your child is returning for Intermediate next year. If you have not yet done so please fill this in via the Hero messages that have been sent out.

LOST PROPERTY

We continue to have a large amount of lost property accumulating. Please check if your child has lost any school items and have a look at the tables outside the office. We ask that you continue to check the labels inside your child's jumpers and hats to ensure they have not taken someone else's by mistake. Please name every item with first and last names so they can be returned if misplaced.

SCHOOL HATS

A reminder that school hats are compulsory for Term 4. MVS caps and bucket hats can be purchased from the online uniform shop:
<https://www.argyleonline.co.nz/shop/auckland/marina-view-school>
or the office for \$20 each. Please ensure your child's hat is named clearly.

Kind regards,

Maurice Young
Principal

SPORTS

YEAR 7/8 VOLLEYBALL AUCKLAND CHAMPS

By winning our North West Volleyball Zone Tournament our Year 7 & 8 Boys Volleyball team had the honour of representing not only our school but also the Northwest Zone at the Auckland Volleyball Champs at Eventfinda Stadium on the North Shore., on Thursday 30th October. The boys were playing against the best 8 intermediate teams in greater Auckland.

Our team played very well, finishing up in 4th place - a fantastic result. I couldn't be prouder of the team. Many thanks to Mrs Midgley who provided transport on the day.

JUNIOR JUMP JAM

Junior Jump Jam started up again last week, with the help of Miss Parkinson and some of our Year 6 students. The students had fun learning the moves and getting active before getting into their learning for the day!

ESOL

Last week the Years 2, 3 & 4 and celebrated Diwali by making craft window displays of elephant hand prints and pretty divas. They also had an opportunity to learn more about Diwali and share their prior knowledge with Mrs Pinto in the staff room.

The Year 3 and 4 ESOL students have been using their senses and imaginations to write descriptive sentences from the writing prompt - "The pool was cold". Here are some that have been written during ESOL lessons:

The huge pool looked sparkly and blue. As I enter the pool, I feel numb from the cold icy water and I feel like I'm a popsicle already frozen but still I'm in the freezer. The pool tastes really salty like someone was cooking and dropped one whole bucket of salt.

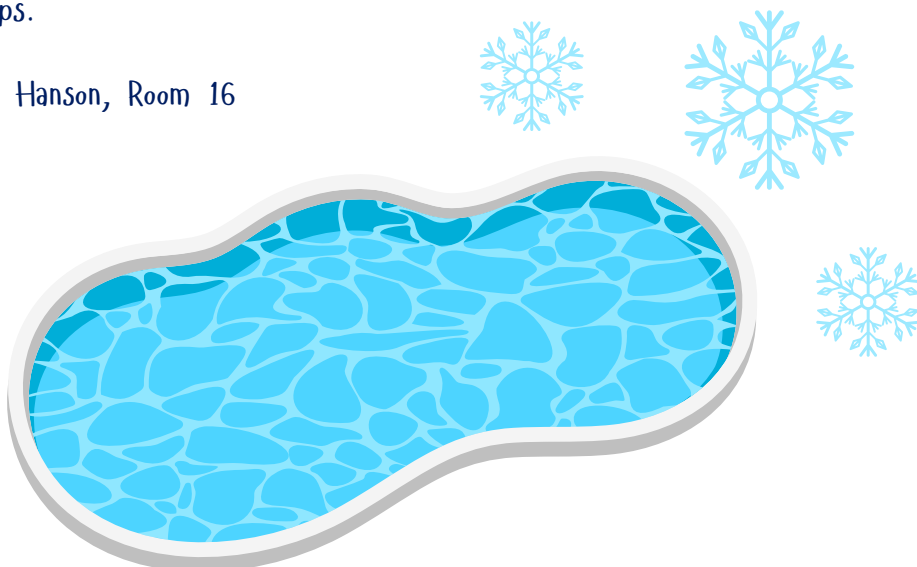

By Jewel, Room 11

The waves were freezing as I got into the pool and I could smell the chlorine in the wave pool. It stings my eyes because I don't have goggles. I can hear the waves splash against the wall and I can taste the salt of the pool. The other kids splash and some of the water gets in my mouth. It tastes like a bit of salt in my mouth.

By Skyla, Room 11

As I stepped into the icy water, I felt like I was in a big refrigerator. I started to freeze. I was starting to smell the hot chips on sale. Then I rushed out of the cold water in search of those salty chips.

By Hanson, Room 16

TECHNOLOGY

Tech with Mr Gover this term is a hands on creative assignment where the students have to make one of four choices. The idea is to make something NEW from the newly constructed item - it is not a toolbox or planter - repurpose it's use to something new! Sew a new item from the coffee sack or use the loom to make a new item - be creative and think "Outside the square!"
